SATURDAY'S GLEANINGS.

—The Recorder of the city of Quebec is empowered to issue license for carrying weapons.

—General Grant denied that he has an important message to deliver to the people of the United States.

—An unruly and irreverent Vermonter, at a seance, kicked a spirit in the nose and the medium was housed for a week.

—There are from 12,000 to 15,000 cheese in Jefferson county yet unsold. This time last year there were over 40,000.

—A thousand men, who struck at the stock yards of Chicago, received the advance they asked for from most packers.

—A Californian has seven acres of tuberoses, which pay better than one hundred acres of wheat. Druggists buy them for perfumery.

—The next forty members of New York Stock Exchange will have to pay an initiation fee of $10,000; after that the fee to be $20,000.

—Mr. W. R. Balch, the Boston journalist who captured Chastine Cox, is soon to assume the managing editorship of the Philadelphia *Press*.

—Although General Butler is beaten again he is not discouraged. He will keep on running for Governor until he or Massachusetts is dead.

—A despatch from Valparaiso states that the Chilian fleet has now been repaired and has resumed the blockade of the Peruvian ports.

—The first lot of American wheat of the crop of the present year, some forty thousand bushels, arrived at Cardiff yesterday in fine condition.

—The Montreal *Herald* announces that Dr. Prevost, of St Jerome, has consented to enter the field against Hon. Mr. Chapleau, and that his success appears to be secured.

—According to the Albany *Journal* there is good reason to believe that part, at least, of the Republican ticket besides Cornell has been elected, the former by a plurality of 42,485.

—An American named Robbins, from Cleveland, is negotiating with Philip Thompson, proprietor of the Baldwin Iron Mines near Ottawa, for the purchase of a large quantity of iron ore.

—Mr. F. Laurie has obtained a verdict for $150 against Mr. C. C. Gregory; railway contractor of Fredericton, N. B., for a horse-whipping administered by the latter gentleman in Antigonish, N. S., some time ago.

—The Stadacona Bank gives notice of application to Parliament for an Act to authorize it to wind up its affairs, in accordance with the resolution of the shareholders passed at the recent special meeting.

—Thomas Slaven, who has saved many persons from drowning in the harbour of St. John, N. B., jumped off the ferry steamer last night as she was near the floats, and rescued a woman who had fallen overboard. It was a noble act, as he greatly endangered his life.

—There is a good deal of excitement among a number of farmers at Belleville, who have loaded a schooner with barley, but have failed to get their pay as promised. Meantime the vessel has been detained. The buyer is said to have been the agent for a firm in the United States.

—The *Courier-Journal*, on the result in New York, says: "We are asked to abandon a leader who gave us a national victory, and to follow leaders who have wantonly thrown that victory away. There is no one who ever will, or ever can, reach the White House over the dead body of Tilden."

—A riot occurred in Exeter, Eng., in connection with Guy Fawkes' celebration. A mob assembled in the yard of the cathedral around a bonfire, and attempted to demolish an enclosure. The Riot Act was read, and a company of infantry called out, who fixed bayonets and loaded with ball. This, and the free use of policemen's staves, cleared the yard in about an hour. Several arrests were made. The streets were patrolled till daylight.

A MARVEL OF THE PERIOD.—If any one had said, even a short time ago that Castor Oil could be made nice to take, he would probably have been regarded as a fit subject for a lunatic asylum; yet that is the fact to-day. Scott & Bowne have manufactured a tasteless combination of Castor Oil with glycerine, which is more like cream than the abominable dose that was the horror of our childhood and the dread of older years. Scott & Bowne's Palatable Castor Oil—25 cents a bottle—is a treat instead of a repugnance to the palate.

BUCKLEN'S ARNICA SALVE.—The best Salve in the world for Cuts, Bruises Sores, Ulcers, Salt Rheum, Tetter, Chapped Hands, Chilblains, Corns, and all kinds of Skin Eruptions. This Salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by J. G. King, successor to E. H. Parker.

A few drops of SPALDING'S GLUE on a brush, properly applied, holds like a vice.

ELECTRICITY! THOMAS' ECLECTRIC OIL WILL TRY THE TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. 14 positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back, of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most skeptical: J. Collard, of Sparta, Ont., writes: "Send me 6 dozen Dr. Thomas' Eclectric Oil, have sold all I had from you, and want more now; its cures are truly wonderful."—Wm. McGuire, of Franklin, writes, "I have sold all the agent left; it acts like a charm—it was slow at first, but takes splendidly now.—H. Cole, of Ione, writes, "Please forward 6 dozen Dr. Thomas' Eclectric Oil; I am nearly out; nothing equals it."—J. Bedford, Thamesville, writes, "Send me at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction."—J. Thompson, Woodford, writes, "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it."—Miller & Read, Ulverton, P.Q., write, "The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay."

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Eclectric Oil. See that the signature of *S. N. Thomas* is on the wrapper, and the names of Northrop and Lyman are blown in the bottle, and *Take no other*. Sold by all medicine dealers. Price 25 cents. NORTHRUP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE. *Eclectric*—Selected and Electrized.

MANY who have been relieved of Rheumatism, Tic doloreux, and various other pains in the Kidneys, Breast or Side, believe it is solely done by the electrical qualities which MITCHELL'S POROUS PLASTERS contain, and which is imparted to the system, thus restoring them to a healthy condition. They are very soft and pliable, still very adhesive; and a sure cure for Weak Backs, Pains in the Side and Breast; and are invaluable to those who have a Cold of long standing, and often prevent Consumption. Some even tell us they believe they were entirely cured by the use of them of a long seated consumption Prepared by GEORGE E. MITCHELL, Lowell, Mass., and sold by all Druggists. NORTHROP & LYMAN, Toronto, General Agents.

PETITT'S EYE SALVE.—An Infallible Remedy for all diseases of the Eye (acute or chronic), granulation of the lids, ulceration of the lachrymal glands, film and weakness of the vision from any cause. It is the most simple, safe and effectual remedy ever discovered. The materials of which it is made are pure, perfect and costly, compounded with elaborate care and exactness, safe in its application, being used externally, and, of course, avoiding the pain and danger which necessarily attends the introduction of caustic minerals and eyewashes. Sold by all druggists. Northrop & Lyman, Agents for Canada.

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self addressed envelope to the REV. JOSEPH T. INMAN, Station D, New York City.
