Cure by Prayer.

La Bonne Ste. Anne has a Protestant rival in the person of a Mrs. Mix, who is a very black negress and a very good Methodist. She goes about curing people by her prayers. The Buffalo papers report a recent case of this kind in that city. A young lady, who had been for a long time confined to bed with what was supposed to be spinal complaint, and had thereby been reduced to the last degree of weakness, was recommended to try if she could acquire sufficient faith to obtain a cure by prayer. She determined to do so, and, in accordance with that resolution, wrote to Mrs. Mix, from whom she obtained a most encouraging reply, assuring her that the promises of the Almighty were there, and that they entitled her to the desired blessing. She was accordingly certain to attain it if she could only believe. Further, Mrs Mix appointed a certain day, when she and her household would begin praying for the patient at 4 p.m., and she invited the latter to join in the supplications. This was done. Presently, according to the story, her attendant observed a great change for the better in the invalid's appearance. In a short time she rose, and was able with assistance to walk a little. Next day she put on her own stockings; and in three weeks she had wholly recovered. Scott's *Minstrel* says: "I tell the tale as was told to me. In such cases as the above, that is all which can be said; for in many of them, and so far as we can see in this, there is no appearance of room for a charge of bad faith."

A MOOSE HUNT.—If there be an exciting thing in the sporting world of which our Canadian friends are enamored it is a moose hunt. The animal abounds in our Dominion and affords a rare sport for our hunters. The chase has all the excitement of field sports. Running with all the recklessness of the fleet footed animal, yet over with his instinct for self preservation, he leads his hunters a wild chase. And a moose is a noble animal, either at rest or on the run. His huge antlers as he carries them along, assume graceful proportions, and every movement is symmetrical. But skillful hunters bring him home, atrophy of their cunning and perseverance. Just as effective hunt do DR. HERRICK'S SUGAR COATED PILLS make of the diseases which tramp through the human system. Never was a hunter more successful in his chase after his prey than are these pills in driving out the diseases which afflict humanity. Try them if you suffer from any ailment.

The New York *Examiner* says: Every mother and housekeeper must often act as a family physician in the many illnesses and accidents that occur among children and servants. For many of the e cases I have used Davis' Pain-Killer, and consider it an indispensable article in the medicine box. In diarrhœa it has been used and effected cures. For cuts and bruises, it is invaluable.

A MARVEL OF THE PERIOD.—If any one had said, even a short time ago that Castor Oil could be made nice to take, he would probably have been regarded as a fit subject for a lunatic asylum; yet that is the fact to-day. Scott & Bowne have manufactured a tasteless combination of Castor Oil with glycerine, which is more like cream than the abominable dose that was the horror of our childhood and the dread of older years. Scott & Bowne's Palatable Castor Oil—25 cents a bottle—is a treat instead of a repugnance to the palate.

Every tobacco chewer should provide himself with a bottle of SOZODONT, to that when he calls upon the ladies he can rinse his mouth and remove the odor which hovers around the person of the nicotized. Not alone for its aroma is it valuable, but as a curative and preservative of the teeth it is unsurpassed.

BUCKLEN'S ARNICA SALVE.—The best Salve in the world for Cuts, Bruises Sores, Ulcers, Salt Rheum, Tetter, Chapped Hands, Chilblains, Corns, and all kinds of Skin Eruptions. This Salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by J. G. King, successor to E. H. Parker.

ELECTRICITY! THOMAS' ECLECTRIC OIL! WORTH THE TIMES ITS WRIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents worth has cured pain in the back, and the same quantity has cured a case of eight years' standing.—The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most skeptical: J. Collard, of Sparta, Ont., writes: "Send me 6 dozen Dr. Thomas' Eclectric Oil, have sold all I had from you, and want more now; its cures are truly wonderful."—Wm. McIntire, of Franklin, writes, "I have sold all the agent lef; it acts like a charm—it was slow at first, but takes splendidly now."—H. Cole, of Io a, writes, "Please forward 6 dozen Dr. Thomas' Eclectric Oil; I am nearly out; nothing equals it."—J. Bedford, Thamesville, writes, "Send me at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction."—J. Thompson, Woodford, writes, "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it."—Miller & Read, Ulverton, P.Q., write, "The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay."

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Eclectric Oil. See that the signature of *S. N. Thomas* is on the wrapper, and the names of Northrop and Lyman are blown in the bottle, and *Take no other*. Sold by all medicine dealers. Price 25 cents. NORTHRUP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE.—*Eclectric*—Selected and Electrized.

MANY who have been relieved of Rheumatism, Tic doloreux, and various other pains in the Kidneys, Breast or Side, believe it is solely done by the electrical qualities which MITCHELL'S POROUS PLASTERS contain, and which is imparted to the system, thus restoring them to healthy condition. They are very soft and pliable, still very adhesive; and a sure cure for Weak Backs Pains in the Side and Breast; and are invaluable to those who have a Cold of long standing, and often prevent Consumption. Some even tell us they believe they were entirely cured by the use of them of a long seated consumption Prepared by GEORGE E. MITCHELL, Lowell, Mass., and sold by all Druggists. NORTHROP & LYMAN, Toronto, General Agents.

PETITT'S EYE SALVE.—An Infallible Remedy for all diseases of the Eye (acute or chronic), granulation of the lids, ulceration of the lachrymal glands, film and weakness of the vision from any cause. It is the most simple, safe and effectual remedy ever discovered. The materials of which it is made are pure, perfect and costly, compounded with elaborate care and exactness, safe in its application, being used externally, and, of course, avoiding the pain and danger which necessarily attends the introduction of caustic minerals and eye washes. Sold by all druggists. Northrop & Lyman, Agents for Canada.

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self addressed envelope to the REV. JOSEPH T INMAN, Station D, New York City.

LANMAN'S BALSAMIC SYRUP.

Lanman's Balsamic Syrup for Coughs and Colds.

Lanman's Balsamic Syrup for all Pulmonary Diseases.

Lanman's Balsamic Syrup cures tickling in the throat.

Lanman's Balsamic Syrup acts on children like a charm.

Lanman's Balsamic Syrup soothes the distressing cough of old age.

Lanman's Balsamic Syrup—a friend in time of need.

Lanman's Balsamic Syrup—25 cts a bottle. More deaths occur from neglected Colds, Coughs and Lung Diseases than from all other causes combined. It is of the greatest importance to remove at once the slightest cold. Lanman's Syrup will cure when other remedies fail. Try it. Sold by

N. C. POLSON & CO.,
Druggists, Kingston, Ont.

Nov. 3rd, 1879.

THE GREATEST

Wonder of Modern Times!

HOLLOWAY'S PILLS & OINTMENT

The Pills purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all Complaints.

The OINTMENT is the only reliable Remedy for Bad Legs, old wounds, sores and Ulcers, of however long standing. For Rheumatism, Diptheria, Coughs, Colds, Gout, Rheumatism and all Skin Diseases it has no equal.

Beware of American Counterfeits.

I most respectfully take leave to call the attention of the public generally to the fact, that certain houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bear on their labels some address in New York.

I do not allow my Medicines to be sold in any part of the United States. I have no Agents there. My Medicines are only made by me, at 533, Oxford Street, London.

In the books of directions affixed to the spurious make is a caution, warning the public against being deceived by counterfeits. Do not be misled by this audacious trick, *as they are the counterfeits they pretend to denounce.*

These counterfeits are purchased by unprincipled Vendors at one half the price of my Pills and Ointment, and are sold to you as my genuine Medicines.

I most earnestly appeal to that sense of justice, which I feel sure I may venture upon asking from all honourable persons, to assist me, and the public as far as may lie in their power, in denouncing this shameful fraud.

Each Pot and Box of the Genuine Medicines bears the *British Government Stamp*, with the words "HOLLOWAY'S PILLS AND OINTMENT," thereon. On the label is the address, 533, Oxford street, London, where alone they are Manufactured.

☞ Holloway's Pills and Ointment bearing any other address are counterfeits.

The Trade Marks of these Medicines are registered in Ottawa. Hence, any one throughout the British possessions, who may keep the American counterfeits for sale, will be prosecuted. Signed,

THOMAS HOLLOWAY.

533, Oxford Street, London.
Jan. 1, 1879.
