A MAD WOLF'S RAVAGES.

IT CHARGES A DISTRICT FAIR AND BITES TWENTY-TWO PEOPLE.

On the 7th of October, about 7 a. m., the peasants from the adjoining villages had collected together at a fair which was held at the settlement of Barvenk if district of Izum, and the male portion of the assembly had dispersed to the drinking shops to make bargains and drink each other's healths, leaving the women and children in charge of the carts. Suddenly there resounded through the square a heartrending shriek for some distance, and then all was quiet. The peasants rushed out of the drinking booths into the street, and before they had time to collect their thoughts there appeared from behind a building situated on the edge of the square an enormous wolf. Everybody rushed in great confusion to their carts, shouting, "Mad wolf!" Meantime the gigantic wolf, frothing at the mouth and with his tongue hanging out, made for the carts. A dreadful tumult occurred. The horses and oxen dashed in all directions, but the majority, getting entangled, fell, over turning the carts, while the noise made by the pigs, sheep, geese, fowls, &c., added to the uproar and confusion. The wolf when within a short distance of the first group of carts turned round, sprang at a woman who was running past, and in a moment she was prostrate on the ground, having lost her nose, scalp and lower part of her face. The wolf then ran further and attacked small lad of about seven years of age, but just at that time a pig rushed at the wolf and bit its tail The wolf turned on his assailant, but not before it had bitten the boy's face and hand. Leaving the pig, the wolf ran down the main street, attacked a woman with a baby, then two boys about four years of age, and having bitten their heads through to the brain, rushed up the street, and after biting several other persons, turned off on to the railway. By this time a large crowd, headed by the village elder, and armed with whips, guns, scythes, &c., gave chase to the terrible animal. They came up with the wolf about one mile from the village, and a peasant, allowing it to approach him within about fifteen paces, shot the animal straight into its open maw. Notwithstanding the wound he had received, the wolf sprang up and attacked the peasant. The latter did not lose his presence of mind, and struck the animal with the butt-end of of his gun, which shattered at the blow, and the wolf seized the peasant by the side, but owing to the man wearing three coats his skin was only scratched. The courageous man then gripped the animal with both hands. During the struggle between the man and the mad wolf the crowd, which had come up, hesitated through fear to attempt the rescue of their comrade. Fortunately a local policeman galloped up at this juncture, and drawing his revolver shot the wolf through the head. The wolf had bitten no less than twenty-two persons, ten of whom are in a dangerous state. The sufferers were isolated from the rest of the inhabitants and medical aid was at once administered to them. It is reported that the wolf came from the settlement of Dovgenikoff (situate about eighteen miles from Barvenkoff), where a mad ox died and had been buried; but so carelessly that on the following morning his body was found scattered about.—*Golos.*

AN HONEST MEDICINE FREE OF CHARGE.—Of all medicines advertised to cure any affection of the Throat, Chest or Lungs, we know none we can recommend so highly as Dr. King's New Discovery for Consumption, Coughs, Colds, Asthma, Bronchitis, Hay Fever, Hoarseness, Tickling in the Throat, loss of voice, etc. This medicine does positively cure, and that where everything else has failed No medicine can show one-half so many positive and permanent cures as have already been affected by this truly wonderful remedy. For Asthma and Bronchitis it is a perfect specific, curing the very worst cases in the shortest time possible. We say by all means give it a trial. Trial bottle free. Regular size $1.00 For sale by J. G. King, successor to E. H. Parker, Market Square.

Victoria Bridge, which spans the St. Lawrence River at Montreal, is spoken of as one of the wonders of the world. It is over one mile and a quarter in length, counting in its abutments, and its piers supporting the spans are wedge shaped to serve as ice breakers. It costs over one million and a quarter pounds sterling to complete it, and has stood the test of long and hard service. It forms an important entrance to the great city of the Dominion, and is pointed out to strangers as something to be proud of. Wonderful as is this work it falls infinitely below the marvels of the human system. Its thousand strings are ever open to the sweep of the fingers of disease; and yet so nicely are they arranged that they serve well though three score years and ten if their possessors treat them properly. But many go aching to early graves because they will not deal thus wisely. Never gorge the stomach, which is the citadel of health, or if ever indulgence will occasionally be made, use DR. HERRICK'S SUGAR COATED PILLS, which will clear out the offal and debris and give a new lease of life.

ANOTHER SUFFERER CURED.—Discharged from the Massachusetts General Hospital as incurable, with inflamatory rheumatism in my shoulders, fingers and feet; suffered fearfully for three years; tried every thing; lost all hope. Dr. Giles' Liniment Iodide Ammonia effected a complete cure. Ellen Smith, No. 72 Plane St., Fall River, Mass. Sold by all Druggists. Send for pamphlet, Giles' Pills cures Jaundice. Dr. Giles, 120 West Broadway, N.Y. Trial bottles 25 cents.

NEGLECT of our youth are but drafts on our old age, paid with a heavy rate of interest. If we would avoid this and look forward to a happy old age, free from any annoyances arising from a common cold neglected in our youth, which inevitably would result in some chronic disease of the throat or head, such as Catarrh, Bronchitis, Asthma or perhaps what might result in Consumption, cure the Children's Cough, Colds, Croup or Whooping Cough with N. H. Downs' Elixir.

The Pain-Killer is an almost certain cure for Cholera, and has, without doubt, been more successful in curing this terrible disease than any other known remedy, or even the most eminent and skilful physicians. In India, Africa and China, where this dreadful disease is ever more or less prevalent, the Pain-Killer is considered by the natives, as well as by the European residents in those climates, a sure remedy.

HUGGLEN'S ARNICA SALVE.—The best Salve in the world for Cuts, Bruises Sores, Ulcers, Salt Rheum, Tetter, Chapped Hands, Chilblains, Corns, and all kinds of Skin Eruptions. This Salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by J. G. King, successor to E. H. Parker.

You never heard a dentist say that SOZODONT was not a good article to preserve the teeth and gums. This fact is not to be controverted. What gives it such prominence as a curative wash! It is compounded, after years of scientific plodding, of materials calculated to harden the gums, remove the septic acid, and avoid putrefaction.

WANTED – Sherman & Co., Marshall, Mich., want an agent in this county at once, at a salary of $100 per month and expenses allowed. For full particulars address as above.

It is Dr. Boschee's famous German prescription, and is prepared with the greatest care, and no fear need be entertained in administering it to the youngest child, as per directions. The sale of this medicine is unprecedented. Since first introduced there has been a constant increasing demand and without a single report of a failure to do its work in any case. Ask your druggist as to the truth of these remarks. Large size 75 cents. Try it and be convinced.
