Washington Notes.

The Supreme Court of the United States has decided that the law was unconsdictional which gave authority to the Commissioner of Patents to "regis ter" trade marks giving protection to persons filing with him such trade marks. The quarter of a million dollars paid int. the Treasury for the protection which no longer protects will be returned to those to whom it belongs, but, under present law that can be done only after a suit the Court of Claims in such case. Probably Congress will provide for its return without expensive process, Whether or not Secretary Schurz in tends to resign, it is certain that well information people here believe he does. Rumors to that effect have been industriously circulated of late. He, it is said, remains in the Cabinet only beause of the unsettled state of our In-

lists who have invested money in land here, and propose to improve it, is Senstor Don Cameron. He will erect the expensive private residence in Washington, costing, it is said, a quarter of a million dollars. The anticipated action of Gov. Gar-Maine, in 'going behind the
