in love, you know.

Chicago, Itl., Dec. 12.-The Daily News this morning publishes the following special cablegram from Mr. Charles Stew art Parnell, M.P., the noted Irish agitat-

Dublin, Dec. 12. To the Editor of the Chicago News : "The arrest of Davitt was prompted by the desire of the Government to get ric of him as the chief organizer of the land agitation, and also in the hopes that people would be intimidated by a State prosecution, or driven to illegal and Sole Agent for John Labatt's London Ale. Dec. 13th, 1879. violent action. The result, instead of arresting the movement, has powerfully as-sisted it. Land clubs has been organized list of candidates. Mr. Tapping, an old in every part of the Kingdom, and subpealers and Home Rulers are united, and have formed a common platform and watchword-'the land to the people.' The Government being baffled in its attempt to crush the movement may in despair success of the Balla anti-eviction meeting.

a resolve upon future illegal and unconstitutional action, and arrest other leaders, but the landlords are cowed, and the Castle intimidated by the determined action of the people. The threatened l'here are no biddings for estates at sales n ianded estates. The Court and tenants are allowed to become owners on easy terms. The leading English Reformers are in a strong sympathy with our movement. The French press at last is showing appreciation of the true position of affairs, and send special correspondents to watch the progress of the winter cam paign. The special object of the people is maintained with redoubled vigour, notwithstanding that snow is on the ground and that famine and cold already pinch many. Great suffering is anticipated after Christmas, and the Government trusts that in this way the courage of the masses may be broken. Swarms of paid

al troops are daily despatched to the sta-Howe Island Council stated an account of fit he will be their candidate. Another levies of coustabulary recruits are list of the Government to take advantage of the sufferings of the people and drive them to deeds of violence. No relief works have yet been undertaken, nor is there Who are not acquainted with the fact that I any prospect of State assistance, but orders have been issued to prepare ad ditional workhouse accommodation. The attitude of our people up to the present time is magnificent. They are self-restrained and reliant, and resolved not to te betrayed into any precipitate or illegal action. An important meeting of the Executive Committee of the National Land League was held to-day, when, among other important business, it was with John Dillon, son of the late John B. Dillon, as soon as possible.

(Signed.) CHARLES STEWART PARNELL A Scene in Parliament.

A Melbourne correspondent writes It may surprise you somewhat, but it is the fact, that here in Australia we view the proceedings of the British Parliament as deficient in energy and force. The debates there, for instance, are no doubt conducted with great propriety, but they are pallid, colorless affairs compared with our lusty, vigorous discussions. Take \$1.50. the following little episode as an instance of the life which pervades our Westminster. The persons concerned are Mr.

Mr. Gaunson thanked the honorable member. The Minister of Public Works enty. Mr. Patterson - No bluster now. (Chair.) Mr. Gaunson-There is no bluster. Blustering belongs to a geutleman of the characteristics of the Minister of Public Works, who would make a very good American bulldozer. [Chair, chair.] The Minister of Land's has grossly slandered me, and his infamous slander, which has not a title of truth in it, is made the basis

gone over to the Free Trade party.

Mr. Patterson-He apologized, and you will have to apologize. Mr. Gaunson (striking the table)will never apologize to such a man. (Order, Mr. Patterson-You will have to apologize or be flogged. (Chair, and great

will ring his nose. Flog me, forsooth Mr. Patterson - I will flog you go home to night. (Increased excitement.)

A Humble Sell. A good joke was played on Sir Samuel Leonard Tilley during his recent visit to Guelph. The only agricultural implement factory of any extent there was closed, but, on a promise from the reception Committee that the expenses would be reimbursed him, the kind and enthusiastic proprietor opened his shops, filled them with men for the day, and made things lively all around on Finance Minister's visit, the "hum" sounding as sweet music in his ears. The same sound would be gladly heard by the citizens six days in the week; but,

"hum" is no longer heard, and worse still, the proprietor is without compensation for his day's expenses

and amusing illustrations in last week's issue of Grip, but the principal and best is that which is entitled "The Smugglers' Hum." The Finance Minister discovers a buin and no mistake. A great wall (Protection) is shewn. Over the top Call of this Sir Samuel Tilley and Sir Richard Cartwright are looking. Below a party of men, savage and piractical in appearance are at work. These are the amugglers, who have forced a hole in the wall, and are rolling in huge bales of American goods, upon which no duty is paid, and upon which it is not intended to pay any. Sir Samuel looks bad, and Sir Richard makes him teel the worse by remarking "Ho, ho ! I told you so." The
