

ONE NEW YEAR'S CALLER.

A HONORABLE POLITICAL ENCOUNTERS AN ADVERSE POLITICAL CURRENT.

A man clad in the habiliments of the tramp knickered on the back of a...

"Oh, go long," said the girl. "I am not the only man that has run down at the heel."

"No, they are seen here ahead of you this morning."

"Seeing you keep on home I presume they were admitted at the front door."

"We have anything for you?" "Do not be so sure that until you know who I am."

"Yes, I have, but I don't believe it. 'Home was a beggar.'

"He never got anything here, my good man."

"My servant died of hunger."

"I know it. He depended on his shambang for his victuals."

"'Twas Italy's celebrated poet."

"Oh, I suppose he was shot."

"Yes, he was. He was often heard of in the streets."

"What should the poet minister to the Court of St. James ask for one?"

"He couldn't get it."

"Very well. I will not withdraw my good wishes for the new year. I presume you are sitting, according to instructions."

"A man who is just sitting upon the precipitous point of politics can afford to be imprudent."

"And, keeping his hand to the hard-hearted house-maid, he took his leave."

Wonderful Discovery.

For the speedy cure of Consumption and all diseases that lead to it, such as asthma, cough, neglected colds, Bronchitis, Hay Fever, Asthma, pain in the side, and a dry hacking cough, tickling in the throat, hoarseness, Sore Throat, and all chronic or lingering diseases of the throat and lungs, Dr. King's New Discovery has no equal and has established for itself a world-wide reputation.

Many leading physicians recommend and use it in their practice. The formula from which it is prepared is highly recommended by all medical journals. The clergy and the press have commented it in the most glowing terms. Go to your druggist and get a trial bottle free of cost, or a regular size for \$1.00. For sale by J. G. K. King, 120 Broadway, New York, and by all druggists.

THE DUTCH - Holland, the home of the Dutch, is surrounded with dikes, to prevent the overflow of the land by the waters of the sea.

Every Dutchman whose land borders on the sea, makes it his business to walk every morning along the edge of the dike, and watch whether during the night, any water has found its way by any chance through them. If there be even the smallest trickling of water perceptible, he drops a little mud upon the dike, and the hole will be widened, until a rude tide forces its way through the embankment, and endangers his homestead and family.

This prudence is natural, and one would suppose that equal precautions of diseases to the human system. But every man thinks "every other one is mortal but himself," and so neglects the planest means for self preservation.

Dr. HARRIS'S SOOTHING COUGH PILLS kept in the mind of their application, will prevent the introduction of sickness, will cleanse the system from malaria of disease, stop the gaps, and render all safe again.
