will have every reason to be proud of her

grand total of contributions for the relief

of Irish distress.

ald ministry with the surpluses of the pre-The local Tory organ is doing tardy but still poetic justice to the Mackenzie alministraton. After two years of misr. presentation about do-nothing policy flies on the wheel and all that, the organ now expressly states "if the Mackenzie Government had remained in power than the Governments which had exist some means would have been resorted to to meet the requirements of the time, and i we assert that the era of deficits set in unwould necessarily have been in connection der the old Macdonald-Cartier and Cartier with an increase of the tariff." According to this the real issue between the late Government and the present one was not that of protection, since our contemporary now positively asserts the former would have resorted to the self-same policy anyway. And yet we have been told ad nauseum by the very same organ that this was the vital issue at the last election, and that the late Government was rejected because of its stubborn refusal to stir hand or foot in the :natter Of course it were too much to expect of an opponent, but still it would have been a magnanimous thing for the organ to have let the above cat out of the bag be fore, and thus have saved the Liberal party from defeat at the last election. have prepared against the time of scar-----

The close of the first session of the new Ontario Legislature gives occasion to say that the people have had every teason to be glad of the increased expression of their confidence in the Mowat Ministry last June. Much useful legislation has passed the House at the instance of the Sir John and his colleagues certainly did, G vernment, all of whose measures have and then for his organs to blame his surin one way or other sought to promote cessors for the results of his own improthe public interest. The Opposition has vidence, might surely seem to be the clialso succeeded most admirably-in de- max to Tory impudence. But no, there monstrating its own weakness, not mere- is "more to follow." Not only is the ly in numbers but in policy, influence, Liberal Party blamed for what it can in debating power, and all the qualities that no sense be regarded responsible for, but are popularly known as elements of party the public spendthrifts, assuming the role strength on either side of the House. of political quacks, have presumed to pre-Their policy has been made up of ne- scribe for the very complaint they might gations and carping criticisns, and by have materially prevented, and the very means of it they have lost ground both in arms of absordity is reached now that the House and the country. Altogether the facts are demonstrating the futility the local Tory Opposition has cut a and fraud of the nostrum they but lately sorry figure, while the Government mani. proclaimed to be the sovereign cure all festly increased its hold upon the re- for all the country's political, financial spect and support of the people. The Reform party has now been some time in office in Ontario, and, judging from the increasing strength and popularity of the Mowat Government, it bids fair to remain there for many a long year to come. The Conservative party in the Ontario "Citadel" are practically doomed to perpetual exile from power.

It is quite appropriate for the Kingston Daily News to defend and palliate the rowdy behaviour of the Secretary of the ery, while it is intended for all who will U. E. Club, who took advantage of take advantage of it, is more especially partizan majority to violate the dignity of Parliament by offering personal insult gies for this most unpardonable outrage, distortion or suppression of the facts. nell's remarks had no reference to Mr. plentiful, so as to save a provision for Huntington's position as a member of Huntington's position as a member of days when wages and work are not at parliament." This denial is altogether all. The charge for the evening course too silly for serious refutation. Under of twelve lessons is only fifty cents, and the circumstances of the case the insult any lady who wishes to assist in diffuscould have reference to the hon, gentleman in no other possible capacity than as ing a few of these tickets to workinga member of the House, and the impu- men's wives. dent letter of the scapegrace, subsequent ly addressed to the Hon. Mr. Huntington is proof of the fact, if proof were needed. Our contemporary unwittingly tells the truth when it says, "He (Macdonnell) made all the amends possible." We dare say the creature made all the amends of which he was capable, and which a Tory majority would permit to be made to an insulted opponent. No the general belief that marriage with Liberal in the House or out of it "would have been delighted if Mr. Macdonnell had been sent to jail," but we re-assert the fact that had the Macdonnell outrage been offered to the British instead of to the marriage is recognized as legal, and the Canadian Parliament, Grissell would be mate, The Bill of Mr. Girovard declares now enjoying congenial company in his that marriage between a man and the Newgate b oarding house.

The local Hooper organ has suddenly not to want to say "anything just now on shall have been procured. The effect of any disturbance to-night. Various ru- prisoners, young Carroll and Patrick Rythe merits of the case." Now, this we this Bill being passed is to legalize such mours have been current to-day of a well- der, jr., were liberated on bail, and the submit is cruelly unkind to Mr. Hooper, marriage where the churches did not ex-But a day or two since we were told that pressly forbid it.
