IS A FACT ATTESTED BY THE HIGHEST MEDICAL

AUTHORITIES IN THE WORLD. A careful observance of the laws of health, and the systematic and persistent use of Scott EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES OF LIME AND SODA WILL accomplish this result. This preparation has all the virtues of these two most valuable apecifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that Scott's EMULSION is being used with better results and endorsed and prescribed by more physicians for Consumption-and the diseases leading to it, such as Chronic Coughs, Bronchitts, Scrofula, Ansemia, General Debility and the Wasting Disorders of chitdren, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet is truly martellous.

See What Physicians and the People Say about it.

MESSRS. SCOTT & BOWNE - Ger tlemen - Within the past year I have used in my own family and in my private practice prescribed very extensively Scott's Empleton or Cop Liver Oil with HYPOPHOSPHITES and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach, which renders it a very reliable agent as a Oct. 12, 1879 Yours respectfully Yours respectfully. A. H. SAKTON, M D., Baltimore

MESSTS SCOTT & BOWNE - Contiemen - Within the last two months I have fairly tried Scott a EMULSION OF COD LIVER OIL with HYPOPHOSPH TES, and I candidly declare that it is the tines; preparation of the kind that has ever been brought to my notice; in adections of the lungs and other wasting diseases we can consider it our most reliable agent, in a perfectly tion of pupils on the Violin. Apply at Keilly's grew worse. In May lest I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and mornug coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime, and I used various prepara tions, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emutaton and before it was all taken I was better I then bought a dozen bottles, and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pa ne m spine disappeared. strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emptsion, and shall continue its use autil I am perfectly well. I frequently meet some friend on the street who sake what cured you, and I answer Scott's Emulsion of Con Liver Oil. &c. I have a friend who has not spoken alond for Li months and he is getting better. I gave him a bottle and be bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago, but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your calcable medicine, Jan, 20th, 18:4. Very truly yours, H. F. SLOCUM Lowell, Mass.

MESSES, SCOTT & BOWNE: Lynn, Randolph Co . Ind , July 2nd, 1878, About the 25th of last April I got a bottle of your Excusion, and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Excusion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose, and from that hour I commenced mending, and now am able to cide and walk and am gaining flesh and strength rapplity. I have advised other parties to try , and some two or three have already tried it. I am sure I shall outsely recover, For sale by all Druggists at \$1.00 per bottle, R. W. HAMILTON, M.D.

REFERENCES REQUIRED. MAN OF ARISTOCRATIC NOTIONS - HIS IM-PORTANCE QUESTIONED-TOUCHED ON A SENSITIVE SPOT.

About 11 and 12 o'clock in the forenoon a middle aged man stood on the steps of a Congress street boarding bones with an old gripsack in his hand and a cobble stone and a lot of old papers in the gripeack. The papers and the cobble doubtless in there all the same. When the stranger's ring was answered he indulged in bows, scrapes and smiles, and announced his readiness to take rooms and board in the house until he could transact some very important business

which called him to Detroit. 'Yes, we keep boarders -- but, you know we have to be so careful. I presume you have references !"

You must have heard of General Sherman / 'Oh, yes.' Well, Sherman and I sleep in the same bed when he can get an excuse for being out all night. We are always out strawperrying together when I'm in Washing top. The day I left he came down to the depot and wanted to pay me an old debt of a thousand dollars, but I wouldn't take it. Just drop a line to General Sherman and ask him if he knows Judge Collins."

She seemed to study over the matter, and he presently continued : 'Maybe that would be too much trouble. Do you know the Mayor of Buffalo !

'Sorry-very sorry, because it wouldn't take ten minutes to telegraph him. We rent the same pew in church, and our wives look like twin sisters. Nice man he is, and I can imagine how he would look if some one was to ask him if Judge Collins was all right. Perhaps you know the Governor of Indiana !"

She seemed ashamed to confess that she 'Really, don't know him?' he went on. 'Hor unfortunate, as I am just from his house, where he obliged me to tarry for three weeks. The last thing he said to me at the deput yesterday was, 'Now, strictly true, though not coming directly appearance of a genuine aristocrat."
