given it a trial.

with the most approved apphances that can be had for money, and with

a care that insures the most perfect uniformity. No expense is spared

to make it what it is, superior to all would be competitors, a thoroughly

reliable killer of pain. Instantaneous in action, harmless and safe in

SUBSTITUTES.

The public are cautioned against a custom

which is growing quite common of late among a

certain class of medicine dealers, and which is this:

When asked for a bottle of Pain-Killer, they

suddenly discover that they are "sold out," "but

have another article just as good, if not better,"

object of this deception is transparent. These

substitutes are made up to sell on the great reputa-

tion of the Pain-Killer; and being compounded

of the vilest and cheapest Drugs, are bought by

the dealer at about half what he pays for the

genuine Pain - Killer, which enables him therefore

to realize a few cents more profit per bottle upon

the imitation article than he can on the genuine.

BEWARE OF SUBSTITUTES!

FUR CHOLERA, CHOLERA MORBUS,

As well as all Summer Complaints of a similar nature, the Pain-Killer

acts with wonderful rapidity and never fails when taken at the com-

mencement of an attack, and often cures after every other remedy has

failed. If you reside in a country place far from a physician, the Pain-

FOR SUDDEN COLDS, SORE THROAT, &c.

aeighbor at the lable. With the first say anything to discourage me. glauce at his dark face, tron-gray hair kind; and as she felt very shy and lonesome among all these strange faces, she was glad to have him talk a little to her. and take care that she was provided with

all she wanted. On the second morning after her arrival in the city, Martie's advertisement appeared. Martie was very painstaking with her toilet that morning. She wanted to look her best. She went swered down at last to breakfast, looking, to Mr. Raymond's artist eyes, which took situation her in at a glance like a wild rose just out I could?'

of a thicket.

But the wild rose might as well have been blooming in her native thicket. No one came to see the gray dress that morning. Toe black dress fared better. It was called upon; and Martie went dawn to the parlor, with her heart in carriage and dashing horses she had watched as they drew up in splendid since she did not seem to be quite clear style before the house. But, alas! about it herself, Martin was not experienced, and Martin Mr. Raymond con'inued. 'Yes; it is was too young, and, though Madame did. I, Martie. I want you for my compannot say so, Martie was too pratty, for ion, my wife. The gray eyes twinkled there was a grown up son in the family, se he sexed, 'Will you take the situsand to set youth and beauty before him tion ! would be tempting Providence Medame | An hour later Mrs. Allen entered the was very a dry, hoper this and that, and room, exclaiming, 'Bless my soul!' as she ewept gracefully out to her carriage, tumbled up in an unmistakable pair of white Marie mounted with rether a sion lovers. step to her little four story room to , 'My deer Mrs. Allen,' said Mr. Rayestch sud wait, and wonder if anybody would find her too young. She was not to blame for it, anyhow, she said to her | tehed old lady, 'I know that you will self, trying to cosx a laugh,

to carry you off just yet, Mr. Raymond said, as he took a sent beside her at their end of the long table.

'There's no cause for discouragement in that, I assure you, raid Mr. Ray-

wond. 'I know people who would not find fault with you on either score." Then he went on the king to her in such a pleasant way that she soon became interested; forgot all her troubles and the tear in her tea cup, and was as merry as though she had been older and known

and Martie engaged to go on the follow ing day to see the place and people. Mrs. Myrick was willing to pay good wages - would give a governem £20 a year and her board; but she musta't expact much waiting on. Poor Martie. She went back to her own room, praying heaven to set d her something better. She thought her prayer was snewered when a gentleman called that evening talked with her about his little girls and seemed well satisfied with the modest account she gave of herself. He was very particular about music, however, and

play. Their interview had taken place in the kindly shelter of the quiet little reception room; but the pland was in the big parlor, and in there the professor and the Rev. Paul Apollos were discussing earth and heaven. The Colonel, was stalking about, showing off his martial figure; and the young bride, by the side of her new lord, was holding court in the midst of a lively circle of callers. Shy, bashful Martie! how could she

little wren, that had just crept from under the mother wing and flown out of her nest! Could she show what awest music she knew how to make with a crowd of itsteners ! There were none of the airs and praces of the music-pounding young Then he bade me goodsbye, but said, "Gaze woman about Martie, as she dropped down upon the piano atool and took a moment's grace before entering upon the dreadful ordeal. 'I'was no use waiting. but oh, if the gentleman would but eit And pierced through my beart in a minute; And be cried to the fair, as he flew through down! Why will he stand beside her and watch her poor frightened fingers as they trip and stumble, give a wild jump for a distant note, mass it, make a dive for one octave and light on another, and at last lose their way altogether, and go on chasing each other up and down the key board. Martie knows the piece she is trying to play as well as she knows her name, but it all fles out of her head and Martie Woodbridge - her name was alips away trom her fingers, and she ends M rtta, but no one called her so-lived jut last with a unale of her own improvison the outsky to of a small village. Her ling feeling her hair stands up straight ou

one. Nature, with her frost and droughts, The gentleman was 'much obliged,' left was always getting the upper hand of almost immediately, and Martie, in a him, and the crops which he raised were state of great and mortification, was rushsure to be those which brought the low- | ing through the hall, exclaiming, with a est price in the market. The cauker sob, as the covered her face with her worm stripped his apple trees, and a late hands. 'What shall I do?' when she frost blighted the corn and cete. He had was suddenly stopped at the foot of the
