CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of Scott EMULSION OF COD LIVER OIL WITH STPOPHOSPHITES OF LIME AND SODA WIll account to this result. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that Scott a Emulator is being used with better results and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Brenchitts, Scrofula, Ansemia, General Debility and the Wasting Disorders of chitdren, than any other remedy known to medical science. The rapidity with which patients | Had laid each plank the master planned improve on this food medicine diet is truly marvellous.

MESSES. SCOTT & BOWNE .- Ger tlemen - Within the past year I have used in my own family and in my private practice prescribed very extensively Scott's Emulsion of Cop Liver Oil with Hypornospurres and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach, which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases Yours respectfully. A. H. SAXTON, M D. Baltimore

MESSTS. SCOTT & BOWNE-Conttemen-Within the last two months I have fairly tried Scott a EMULSION OF COD LIVER OIL with HYPOPHOSPH TES, and I candidly declare that it is the dnest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases we can consider it our most reliable agent, in a perfectly elegant and agreeable form. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better I then bought a dozen bottles, and have taken all with the following result-Cough subsiding, night sweats stopped, appetite returned, pa us in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion, and shall continue its use until I am perfectly well. about Mr. Brown's recklessness and prac-

is worth, which is really little or nothing.

The question is now in order, how Sir Leonard Tilley came to tell the meeting at Bath, on the last day of the financial year, that his expected revenue of \$14,-000,000 from Customs was more than realized. We have not ventured upon my happiness depended upon this marany estimate of the complete revenue for the year, but the Globe putting the Custom revenue from British Columbia for June at \$72,000, which is in excess of an average month, and revenue from all other sources in June at \$800,000which, we fancy, is about the right figure-adds up the whole at \$22,494, 000, or nearly \$2,500,000 in excess of Sir Leonard's estimated deficit of \$528,000. We can easily understand how a Minister may make a false estimate for a year, which does not begin for three months after he has made it. No one can tell in April what the harvest and other conditions on which the revenue depends will be in the twelve months, which only by the time the year is ended .- Montreal Herald.
