DON'T LEAVE THE FARM,

Ceme, boys, I have something to tell you

Come near I would whisper it low -

How downward the course soon begins,

They're wealthy in gold, without doubt, But, ah! there is gold on the farm, boys,

The goods are first high, and then low. Better risk the old farm a while longer;

The great, stirring world has its inducement

But wealth is not made in a day, boys,

The bankers and brokers are wealthy

They take in their thousands or so,

But think of the frauds and deceptions-

You're free as the air of the mountains.

Better stay on the farm a while longer,

Remember you've nothing to risk, boys;

Though profits should come rather slow
