Will Deliver His Lecture On "DANIEL O'CONNELL, THE IRISH ORATOR AND PATRIOT," IN THE CITY HALL,

Admission 25 cents; Reserved Seats 40 ct Lecture to commence at 8 o'clock. Sept 23, 1876.

EV'NG, SEP1. \_0, 100 REMINDERS.

Regular Meeting of City Council at 8 p.m. Prof. Claud's display of Fireworks at 7:30 o.

The Toronto Telegram intimates that Sir John's great anxiety to regain his lost power arises from a consciousness of his having disgraced himself, and a determination to redeem his good name. may be just as our sprightly contemporary predicts, but can we find any act or confession of contrition that would justify our belief in the sincerity of Sir John's good intentions? We have only his past life to judge by, and no candid man can say that it shows a reliable record.

---chief source of strength when the heroic pleasing title of Liberal Conservative. Hotel and had been brought to the Sta ing. Loss from \$5,000 to \$10,000. The Catholic Tribune of Thursday last

anys: "The Mail of Friday last made a des esperate attempt to destroy the populari-"ty of the representative of the Catholic \*\*people of Ontario, Hon. Q. F. Fraser "and with almost hellish ingenuity used "a famous philippic for the purpose "weakening the influence of the hon "gentleman. As is often the case, that "which was intended for a good motive "has been made to serve a base purpose; "so in the present instance. The asser-"tion of the Mail, that Mr. Fraser is traf-"ficking in his faith is false. The want "of justice to the Catholic people by the "party of which the Mail is the organ, that one of the addresses presented to was sufficient indication that medical St. Petersburg, Sept. 23.—Golas and assistance was requisite. "mentative in the Cabinet. The honor "occupying that position has fallen "Mr. Fraser, and during the time he has "filled it he has ever been most faithfu "to the trust reposed in him, never de-"meaning either himself or his constitu-"ency, but ever watchful of their inte "Frests ; and while he retains the confi-"dence of the Catholic people, he can af "ford to look with unconcern on the "Mail's vile attempt to lessen his popu-"larity."

Sir John has unwillingly confessed that the Finance Minister is an able man. and now we have Mr. Thos. White, Jr., through his organ, the Montreal Gazette making the same acknowledgment. The speech delivered by Mr. Cartwright at Monck is characherized by the Gazette as "undoubtedly clever," viewed as an ef. literary reviews, we find the following. ble, and that the Constable reports that is believed that Turkey will agree to profort of special pleading on behalf of the which will be interesting to many King he has been in a row and that a wound long an armistice without any fixed date. had been the elements of candor which of Mr. J. A. Allen of this place : should characterize such addresses, the speech would have been "a tolerably mg Principal of the Government College, complete defence of the administration of Lamaica, Mr. Grant Allan, on 'Force and the Finance Department." Had Mr | Energy. The writer is evidently a very Thos. White, Jr., the candor to confess hi well read and able dialectician, but, as real convictions he would tell us that Mr | ne informs us himself that he is not a Cartwright did completely and satisfacto of be sure whether his grasp on his injuries, which will prove the suffered severe internal it is thought he suffered severe internal injuries, which will prove the sure which will prove the sure whether his grasp on his rily defend his admistration of the finan physical facts is sure enough to warrant To Mr. Keller. - In conversation with New York, Sept. 25. - A despatch reces of the country. He succeeded in plac | them in trusting his handling of physical ing the actual condition of our fiscal relations before the people in such a light would think of his argument that if the as to convince them that, from the time planets, through secular retardation of Confederation to the defeat of Sn should fall into the sun, they would have John's Government in 1873, there was , dready parted with most of their energy reign of extravagance and recklessness in ein would collapse into a dead mass the management of the public finances into a new nebula.
