REMINDERS.

SATURDAY.

MEETING of Y.M.C.A. at 8 p.m. Tom Thuma Party at the City Hall-after noon and evening-

Y.M.C.A. Weekly Meeting at 8:15 p.m.

THE Dunkin By-Law vote in the County. MINDEN LODGE .- Regular Meeting, 7:30 pm

The Ottawa Citezen, says we have no sympathy for the erring Speaker of the Ontario Legislature while we condone the offence of Speaker Anglin. Our conreverse. We were, we believe, the first [journal supporting the Clovernment that condemned the transaction for which he is accused and asked for explanations. When the whole case was made public and it was clearly shown that the Govcrument could not be held responsible for the contract being awarded to Mr. Anglia's paper, we so far medified our opinions as to exonerate Mr. Mackenzie of all blame, but we have distinctly stated that we would be pleased see the Speaker offer his resignation.

The chief Opposition organ has been not told that hundreds of men with fami- rence to see a lady got the market, purnearly three years slashing away at the lies are now teaching in the country for chase a log of mutton and live gooss, take had shipped to England lately. Nearly the policy of some of the Government's dent in politics, and opposed to the tem-Grits and criticising the sins-omission | considerably less. Mr. Crooks has a one in each hand and march home with all the cattle died on board ship. and commission—committed by the Mac- worthy subject to discuss and a pressing them. Just imagine a TenEyek or Clinkenzie Government. We venture the as- grievance to reform. That he will do silk dress home if it were given her, killed Walker, have been found gailty of the word against the authorities of the Central Challes, aged 3 years. sertion that since the defeat of Sir John's whatever is possible to meet the wants waltzing up the street with a querior of manslaughter. Administration in 1873 scarcely one issue of the country all who know him fully beet in one hand and a basket of turnips -The thickest armor plate for vessels New York, Nov. 3. The Grain Comof that paper has appeared without con | believe. It is more than amusing, there new order of things that has been fore, to be told by the organ that the rea- | inaugurated by the Mowat Administrason why it has not criticized Mr. Macken- rion. The advantage of having a memzie and his policy as thoroughly and effect ber of the Government in charge of our tively as might be desired is entirely ow. educational institutions is already aping to the absence of anything worth cri | parent, and a few years experience will | tinising. What, then, does the organ call | undoubtedly eventuate in eciticism? and what has it been doing for | changes. three years past ? THE PRESIDENTIAL ELECTION.

The Hamilton Spectator gives good advice to the party. We would recommend struggles between the two great po-"Mr. Mills questionable policy, because the early stages of the campaign we were hold of Lee and bring him within the last of a druggist, and was informed that it stood have been proved. It is said if the The Spectator is not so far removed from the second state of the second of the second state of the second The fact is, an hopest confession was observe the provisions of the 14th ed on United States territory—but how the grant but the grant bin there was the confession was of the hope are, as it provisions of the provisions of the 14th ed on United States territory—but how the grant bin there was the confession was of the keepers repeatedly threatened the The fact is, an honest confession was wrung from as zealous a Tory advocate as the country can produce, and those as the country can produce as the country can produc who are countenancing a useless election late civil war, a strong argument asked if a man could be arrested in for Bruish service have been made to the of the colored men's torch lights. The jected, and states that the chief officer of the colored men's torch lights. campaign would do well to listen to the gainst him was effectually knock Canada for seduction. He informed Mr. Dominion Government. It is not in- colored men turned upon their and fired the prison lies under charge of drunkness, voice of wisdom which comes from the ed out of time. He is sure crominal offence in this country. Learn- cept d at present, nor let us trust, will knives. Five white men were injured. the prison hes under charge of drunkness, which at least two of the prison officials Hamilton organ.

The Opposition organs find much to console and encourage them in the tone of the English press, anent the Gov. General's addresses in British Columbia. The Mail is especially pleased with what the London Daily Telegraph says about Mr. Mackenzic bestowing high favors on those is a strong probability of a Democratic Parmeater and his injured companion, and Sydney, Australia, with a general top Congress of Cuby, has a served at Here who were most prominent in defeating victory next Tuesday. The issue would Miss Rivers, wend their way, on the 28th and Sydney, Australia, with a general tain General of Cuba, has arrived at Hathe Senete. The insinuation is again thrown out that the Premier was more pleased than annoyed with the result of the Senate vote. Had he desired to have the Bill pass, a second attempt would lations with the Republic, but so far as went to Prescott and arrested Lee, bring- Co. of Montreel have chartered the have been made. Lord Dufferin says the commercial policies of the two parties where he was rescord by our efficers from such an attempt would have been useless, are concerned we must prefer the Demo- the custody of the Yankee detective and but the Mail insists that His Excellency oratic. could get his information only from the Premier, and the latter had no right to give auch advice to the Executive. In other words, the Mail does not believe that Lord Dufferin is capable of forming an opinion for himself.
