The Just So. - Election time is near at painters of Brockville take a great deal hand, and candidates who take their seats of liberty with a respectable citizen, and

It is quite probable that another boundary dispute may require a settlement soon. An Oregon paper tells how a Mr. Choquette has been carrying on a trading station on the Stikine River, about ten DILLY DALLYING .- Kingston has the miles from the coast, for many years, name of being slow, and really the place and as he supposed, within British terrideserves the appellation sometimes. Now tory. The indefinite terms of the treaty in the matter of tax exemptions it is as are such as to make it quite impossible pronounced as any municipality, but in | for the authorities to decide whether action its Council is the last in putting Mr. Choquette is subject to British or its sentiments on record. All the towns American revenue Laws. He maintains and cities have made out statements the former, but Uncle Sam thinks differshowing the amounts of their exemptions, ently, and has notified him that he must and forwarded them to Toronto, but the remove his stores to English soil within Kingston corporation cannot supply seven days from the melting of the ice on them. When Kingston is overlooked in the rivers or submit to the customs reguquette is anxious to know where he is and | ing notice what he is.

CORONER'S JURIES. -- If there is one thing more than another that may be declared a deficiency in the Administration of Justice it is the absence of a law that will provide for the payment of Coronera' juries. All manner of persons are protected by legislative enactment but these juries, whose service is of just as much importance as constables and coroners, but who may be put to all sorts of incon venience and loss and annoyance, without receiving even thanks for the part they play for the public benefit. Men have cumstances. He will thus be much grambled and objected to become jury-It should go a little further, and, when compelling men to do duty for their country do what may be reasonably expected under the circumstances, see that they

get one.

Exemptions from Taxation.

A very large and influential body in the city is working hard to induce 'the Legislature to do away with the exemptions of church property from municipal day at which a number of delegates from the surrounding municipalities were present. A return furnished to the meeting by Alderman Hallam, an indefatigable opponent of Church exemption, shows -Dr. Cadieax is lecturing in Prince that the value of exempted property in the Province of Ontario is equal to close upon one sixth of the whole assessable property. The value of the exemptions in some of the principal municipalities

runs as follows : Barrie 149,500 Belleville..... 394,000 Brantford...... 681,000 Galt 188,000 London...... 2,415,000 New Edinburgh 319,800 Peterbero' 451,250 Portsmouth.... 374,000 St. Mary's 187,000 Whitby..... 225,000 The anti-exemption agitation is gaining strength rapidly, and has already many supporters in the Legislature .-Toronto Correspondence of Montreal Ga-

ENGLISH OFERA. - We are glad to welcome to Kingston an organization whose popularity is so well established and a visit to which is attended by so much pleasurs -the Holman English Opera Company. On Monday evening they open for a short season in the City Hall, presenting a strength of caste, attractions and combination of talent greater than ever attained by it before. We shall let the Quebec Chronicle speak of the piece which will be produced on the opening night-"Offenbach's

Trebizonda:" "General satisfaction was the order of its rendition and such was given in its fullest entirety. Miss Sallie Holman, as Prince Raphael, was, as she always is, the true representative of her role. Her sister, Miss Julia, is never far in the background, and, as the Showman's - Jenkins says that the True Reform Daughter, played with great brilliancy and true regard to the duties imposed by the author on the pourt aver of the character. The fun of this opera is anstained by the Company with great effect. The ludicrous portion culminates in the third act, where, as Artemus Ward would have said, the "wax figgers" come into use. Screams on screams of laughter tollowed the showman's entertainment, (Mr. Ellis Ryse being the showman), and a general breakdown was greeted with immense applause. The song, intro duced by Mr. Brookhouse Bowler, of When fortune frowns and friends for sake," was sung in a manner to raise the heartiest enthusiasm. Mr. Bowler's

manner on the stage is of such a genial nature as to win the hearts of his audience at once. Miss Sallie Holman, ir her song of "Oh, my tooth it aches, created an awful amount of merciment: The other members of the Company played most meritoriously." Missions .- At the October meeting of LITERARY. - On Monday evening Mr. ries that the blind man and his wife who the Kingston branch of the Woman's "The May Queen," thus ponding Secretary, Miss Macha, was

of the Woman's Missionary Association of the United States, to be held at -- K. & P. RR. Excursion: -"The ac. Brooklyn, on the 17th, 18th, and 19th tion to the sister societies to send a representative. At the November meettice has been published in a recent issue
