MUNICIPAL POLITICS. - The canvassers for votes, for those who are seeking election as Councillurs, are meeting with great success. Whether it is the result of the use of the ballot, by means of which men can promise one way and wote another, we cannot say, but it seems every man is prepared to support every candidate, and sometimes a pledge is made before it is ascertained that's vote is even concerned in the case. Thus i ward, who says 732 men premised to put in plumpers 'for him,' when the lists only showed about 400 ratepayes. Promises are the freeest gifts of men sought after about election time and least fulf n the balance they are then found
