THE "LIST" MAKERS.

The Tory journals are busy with statistics a ain. To amend, extend and revise the various "lists" against the day of final reckoning at once furnishes them with congenial employment and stays the achings of their hungry envy. Like da has no jurisdiction. the man who dined on the smell of a pastry cook's shop, however, they seem to derive from a contemplation of their "lists" but a fitful satisfaction, for no son. The time is now upon us when sooner does one appear than another numbers of our leading ditizens betray to from the indignant rant carrent among fort which sedulously cultivates a large prizes. But, with a perversity which Tory journals, we should fancy that the acquaintance now is necessarily succeed. must seem astonishing to Free Traders, wheel bulk of official patronage was at that ed by a forgetful reaction during the burtime delicately and handsomely conferded and heat of the succeeding year. As where it does not exist. Now let us playroom and original the House, turned the Chamber into a tions. however, to find the very reverse of this powers of memory and recognition revive, Protection has compelled Sheffield steel light. to be the fact—in fact the party maxim and names and faces and places recur to it is likely that our neighbours will abanthen was "to the victors belong the these kind-hearted souls with a wonder- don a system that brings such good re spoils" and Reformers submitted to the ful facility. At this time of the year too, sults? Are they not likely, rather, operation of this rule as one of the most | the average elector assumes his annual strike it more zealously than ever before, endurable features of the Conservative municipal importance. He feels that in seeing that it so well accomplishes what regime. Two things are conspicuous by his free and independent capacity he was an invention of yesterday, we may say, their gabsence from the Intelligencer's not made in vain, that he is by no means and already there are ten Bessemer st list.
