ANOTHER FIRE! ---

House Burned in Williamsville.

Last evening about 7:40 o'clock the alarm was sounded from box 8, the up--Some one has just risen to explain permost on Princess street, and a great tracted by a big blaze. The house of reason to dissolve Parliament. Capt. Cochrane, on Durham street, immediately in rear of the residence of R M. Rose, had caught from the interior and was utterly at the mercy of the clearing the same with a bottle partly flames. The Chatham engine was very soon under way, and arrived at the scene early enough to do considerable good had there been a water supply in that distant -The West Kent Agricultural Society suburb. The fire, under the circumstances, had to be permitted to burn itself out, the "Hooks", alone being of the flames to Mr. Watty Lamb's and other dwelling houses. The former place was greatly in danger even then, as the wind blew the sparks and flames almost credit for his action. The Government directly over it. The furniture was re. was perfectly ready to meet these views, moved at a heavy loss in breakage, and the family driven on a bitterly cold, and Mrs. Cochrane were not at home there would be a Conservative majority when the fire occurred and were spared a cold "dip," though they lost a large part to secure a majority. The vacancies and singing and prayer, after which the Rev. of their furniture, with only an insur- appointments of the last few years have

> insured for \$500, and a foss will occur THREE IN ONE DAY.

> This was the third fire in the city yesterday, closely following two alarms last week. The loss yesterday was that of three houses, and the parrow escape of a row on Barrack street. The increase of fires in Kingston within a year past evidences a singular fatality in that line. One fire per month was a former average. It is indeed well that we possess improved means of fighting the flames, or heavily upon the citizens and insurance
