House of Commous.

WEDNESDAY, -The Bills respectively establishing a Court of Maritime Jurisdie tion and amending the Insolvency Law were read a second time at the afternoon misleading statement on 3rd Jan. last, in sitting of the House. In Committee the salary of the Chief Judge of the Court was fixed at \$600.

A brisk discussion sprung up on the consideration of certain resolutions ment. The optotation made by Cataraamending the Customs Act, introduced by the Minister of Customs, the main point of controversy being whether duty should be charged on the cash or invoiced value goods, or on the actual and ordinary Act, on the contrary, permits conditional value at the place of purchase. The sales, that is, in large quantities; and does leader of the would-be protectionist party argued strongly in favour of levying duty the face or invoice value; in other words, allowing importers and foreign exporters to send in goods at their own

Messrs. Workman, Wood and other reresentatives of the mercantile interest. on the other hand, sustained the action of the Government, which secures the imposition of the duty on the actual value. The hour of recess was reached before the House got into the resumed tariff de-

After recess Mr. Fleming took the floor and re-opened the pending debate. He showed, by reference to the deficit, under Sir John Macdonald's former Administrations, the absurdity of charging the present state of affairs to a Reform Ministry. He defended the new duties coupled with the reduction of the duty on petroleum on economical grounds, recessful this season, inasmuch as the futed the allegations that the additional people and owners of horses seemed to duty on malt would be injurious to the be well satisfied with the decisions made, farmers, ridiculed Sir John's attempt to notwithstanding the boisterous manner play the role of an economist, and argued in which some people acted. Liverpool, sailed to-day with 100,000 on Feb. 25th of 230 Sioux. Red Horse City Passenger Bank-102, 106, 25 at 106 described the Custer massagre, saying London, March 15. - A Berlin despatch the soldiers were the bravest men they New City Gas-158, 157. says the Minister of War justified the ever met. No prisoners were taken, but increased army expenditure by pointing all captured were massacred. The Into the growth of the French army, he dians lost 136 killed and 160 wounded. recent movement of troops on the German Raleigh, N.C., March 15.-The De- Mr. Wm Maitland, of a sen. frontier; also to the growth of the Rus- puty Marshal with a squad of soldiers sian army. The Emperor has refused while searching for illicit distilleries in the resignation of Gen. Van Stoll, Chief Wilkes Co. were ambuscaded. One soldier was killed. No arrests were made. London, March 15 -The Times says One man, who was seen running off, was P. O'Reilly United States railway securities are oc. fatally shot, but proved to be innocent

Suspicion extends more or less to every | New York, March 15 .- The Herold's railway in the Union, sound or unso and Columbia special reports that Hampton Inquiry shows their finances to be says he will favor the new election in book. Something beyond South Carolina if Hayes will favor the

allay the anxiety awakened by the The World says the informal conference is of Southern Senators and others favored intensfied by the presence in this and the taking of no part in any active at-American markets of a considerable clique | tempt to influence the course of the Adof wreckers constantly watching an op- midistration, but leave events to shape 30 CASES OF SPRING GOODS themselves, thus avoiding alliances which may prove entangling in the future. Fred. Douglass is to be U.S. Marshal for the District of Columbia. The office

The Herald says there is no reason to TWEEDS. believe the Administration will make demands about Cuba. The President thoroughly believes in the policy of mending your own business. The Sun says Secretary Sherman yes-

terday ordered the commission of Major Tyler, the new Collector at Buffalo, to be delivered. The limes says Cox has gone South to canvass for the Speakership. Sayler and

Morrison are working hard among the filibustering element, and Randell is looking for support among the respectable element, and it is very probable the that ed with the words "Small pox," while a the Principal of Foreign Missions will be charged, but the indications are that Retropchment is to be practiced by the no appointments will be made until after the adjournment of the Senate. The Tribane says the President has de-

termined to withdraw the troops in Louisima and South Carolina after the Senate adjourns. Capitalisis have offered to loan to the Government, without interest, four or five millions needed to pay the army from July 1st to December. The roll of the new House of House of Representatives will show a Democratic

majority of 17. New York, March 15. - Charles Heitler was arrested this morning while attemptin the murder of Nina Keenmeyer, his The friends of Kingan, the missing

produce dealer, who was reported murdered in Canada, estimate that he may

claims she was improperly influenced and connection with the brewing or distilling prices then current, that he was obliged was prejudiced against the kindred of her Washington, March 15 .- Minister Foser has recognized Diaz only as President de facto. He will not recognize him as

\$115- President de jure until after the meeting of Congress and his inauguration. Washington, March 15 -The wide the new appointments will be made where the Committees expire, and particularly in many post offices. Several applications have already been made to Fred. Douglas for positions, not a few of the applicants being white. Other prominent colored men are presenting applications to the President for positions of equal prominence.

Washington, March 15 .- There has not yet been any determination relative to the withdrawal of troops from New Orleans and Columbia. The subject will receive the most deliberate consideration of the Administration.

Washington, March 15 .- The Presi dent has nominated Fred. Douglass for District Marshall, George Abbott Well, Massachusetts, as Commissioner to prepare a new edition of revised statutes, and Hoyt H. Wheeler, Di trict Judge for

Washington, March 15 .- It is rumoured that Pinchback, who had an interblacks alike protested against the recognition of Packard, to which the President replied he would soon open a clear way to peace in Louisiana and contentment to the people of that State.

New York, March 15. - The threatened strike of plasterers did not take place today, as the principal employers have increased the wages.

Rochester, March 15 .- Nolle proseque has been entered in the case of Canal Superintendent McRae, of Lockport, whose rial for perjury resulted in the failure of the jury to agree.

ENGLAND'S POSITION Russia's Proposals to be Accepted

Deplorable Condition in Turkey.

London, March 14 .- The Cabinet met yesterday to discuss the proposed pre- Kimball & Morton's Improved tocol, and have resolved to accept Russia's proposals, with some modifications. These are n.ore verbal than significant. The loss has been variously estimated Peace is now considered essured. France at from \$25,000 to \$50,000. The com- Germany, and Austria support the pro-

for \$1,700; the North British and Mer- of the protocol the Powers would renew which constitutes the existing solution Constantinople, March 14. The Government will submit the Montepegria
