DID NOT KNOW!

I was asked by a gentleman yesterday if I sold | Comprising one of the Choicest Stocks of nuch of Boyer's Canned Vegetables and I pointed to my half empty shelves ! which I had filled up solid less than two weeks ago as proof that I did sell a large quantity of those goods. He evidently was not aware that the Suspension Bridge at Niagara was nod of these goods sept to me from Baltimore by that route. I would say at this time, that my sales of these goods do not depend at al ayon the low price at which I sell them, but entirely upon their excellent quality.
