REQUIRING ARTICLES

I'm growing old and teeble. I feel it In the trembling of the limb.

And the silver hairs reveal it.

For my sight is growing dim, Wh le my friends around remind me Of the dalinees or my ear, Though I bear it said behind me Grandpapa is growing queer.

I have kept the better part. For though times be on the forebead here are more upon the heart. And, therefore, I'm old and weary, I am not afraid to die,

Nor my form decrept stand. Where the hair doth never silver, Nor the head unbidden bow. And the passing ages never Put a wrinkle on my brow And there's one will go beside me Inrough the rivers breaking tide,

of New York is. (Chicago Inter Ocean.) widower was triumphant if not happy. HENDERSON'S and targht his wife how to drive. She

was an apt schular, and soon her hushandling the reins. She was not only an | ugliest six year old boy that ever frighting, progressive enthusiast. Mr. Camp- over his knees, jerking his white tie out bell was proud of his wife's accomplish- of knot, mussing his vest, kicking his ment; but there is such a thing as going | shins, feeling in all his pockets for nicktoo far. He milely intimated that such les, bombarding him from time to time was his private opinion; the gentle Annie with values bits of light furniture and laughed at the notion as ridiculous. He bijouterie, calling him names at the top of gravely hinted that unless she was more his fiendish lungs and yelling incessantly careful he would would put a stop to the | for him to come out in the yard and play whole business; she remarked, with con- | w ile the unresisting victim smiles all siderable seriousness, that she would the time like the cover of a comic allike to see him try it. He declared, manac, you may safely bet, although with emphasis, that the fast driving there isn't the sign of a girl apparent in must stop; she replied, with defiance, a radius of 10,000 miles, you can bet that it should not stop. He locked the your bottom dollar that howling boy has team up in the factory, with a quiet de- a sister who is primping in a room not termination that a certain woman should twenty feet away, and that the young be the original discoverer of who was man doesn't come there just for the fun master in that family; she threatened to of playing with her brother .- Burlington break every window in the factory unless Hack ye. the team was forthcoming, and forth it came, and the discovery business mis-

Possibly a faint suspicion dawned upon the mind of the ancient William about this time that widowers couldn't always manage young girls; but he was persistent, and he tried the experiment of locking up the horse again, this time in the carriage house. But the plucky Annie Louisa pried open the door with a poker. harnessed the horse, and drove off in triumph. He tried another experiment this season of the year; no hand so well adapt | in the factory, but to save the windows to the cultivation of the beautiful as a surrendered the horse. Up to this point lady's; no exercise more healthful and renning. there had been, figuratively speaking, a who had been suffering from Piles for beaten on every hand.

in good order to her father's, and she be of infinite service. NEW DRUG STORE faster than ever. The husband put a spy on her track, and she horsewhipped the of as no stock will be kept over. se Call, spy. There was little more that she could do and maintain her indiff-rence toward her husband. She had conquered at all points, and held her husband in contempt. Now she changed her tactics. band's attentions to other ladies. Out driving one day she overtook him in comed his whip out of his hand and menced belaunring him. He was brave enough to marry the girl, but now he cut and run, or rather he forced his horse the worst cough in a few minutes and have to drive, and had purchased a fast horse for her, and now woman, horse, and furies. The wife horsewhipped her hus- per box. band all the way from One Hundred and I wenty-fifth atreet to For y ninth street.
