CITY AND VICINITY. GOLD in New York at 3 o'clock 107.

Just Received at A. A. LEVETT'S Clothing Emporium, Wellington Street, a large and complete assortment of Ladies' and Gents' Trunks, special styles, new-Ladies' Express Suits, Gents' Zinc Mansard.

EXAMINATION.—The examination of the Christian Brothers' school will take place on next Tuesday, May 1st.

MIRAGE.—On several occasions lately the atmosphere has been so clear that distant points have been quite distinctly visible.

A SELL.—Oh thunder! A coal mine has not been discovered in Napanee. A black matter was found, but it wouldn't burn no more than Scotch granite will.

CITY BUILDINGS.—At the meeting of the Council last evening, when the subject of city offices was under discussion, Ald. Dupuis brought up the question of converting the Ontario Hall into a Council Chamber.

DEATH AT COLLIERBY.—Last night gloom was cast over one of the wisest family circles in the County, by the death, after a short illness, of Mrs. Joseph Looze.

THE BOARD.—Mr. Samuel Baker, a member of the Municipal Council of the Township of Kingston, has been appointed to the vacancy created in the License Commissioners' Board by the resignation of Mr. J. A. Allen.

OUR POLICEMEN.—The Ottawa Free Press says that "it is not true that Kingston policemen are a cowardly lot of men. We have it on good authority that three of them can arrest a man if he is drunk enough."

KINGSTON LODGE, No. 59, I.O.O.F.—This Lodge gave an entertainment in their room on the anniversary of the Order on April 26th.

BELLEVILLE TROUBLES.—The Dominion Chronicle has a very pungent article on the existing troubles between the Mayor and congregation of St. Thomas Church, Belleville.

THE REDON CLUB.—It is talked of starting a Redon Club here. In the State of New York the temperance men wear blue ribbon, and the Cape Vincent people explain—"Whenever our Cape people see our Canadian brothers coming over, they must recognize them as members of this great array of reformers and temperance citizens, and not for the club that wears red ribbons on this side, the motto of which club is 'Take a drink when you can get it.'"

AN ENDORSEMENT.—On Wednesday evening a meeting was held in Belleville of persons willing to assist in rebuilding St. Thomas Church. The Rev. Mr. Burke made an address and such satisfactory statements that Dr. Barnard moved, seconded by Mr. Evans, "That a memorial be drawn up for presentation to the Lord Bishop of the Diocese, expressive of the confidence of the subscribers in the Rev. the Rector, and their approval of his course in regard to the matters in dispute between him and members of his congregation."
