among the absolute necessities of a well-balanced life, and happy is he who can feel that he prevides this repast, free from all poisons to mind, heart and conscience. An ancient poet has said :- "The noblest art which a human being can attain is the power to confer happiness on others." For nearly half a century I have faithfully fol "lowed my life-long motto: "WE STUDY TO, PLEASE." I have cheerfully devoted my energies and all that I could command to providing public amusements which should prove instructive and profitable to the age in which I live. My ambition, also, has ever been to give the public as much as possible for their money. The result of these efforts, I am gratified to say, has been a patronage unprecedented and prosperity and success unpara lell ed in the world of amusements. This liberality of the public has enabled me to compass the entire globe in search of novelties, and to procure them without the sligh
