Spots, Figures and Stripes; the whole forming a Stock the most attractive

April 19, 1877.

I received your kind letter wishing me to join the High Church, and the sermon of an ully appreciate your desire, that I should possess all true religious advantages, and as I feel the same towards you, and towards our mutual friends,-and, indeed, towards all-I thought it would be better to answer your. letter in this way, and perhaps some passages in the sermon. I cannot yield to the assumption of the Hi h Church of England, although you, my dear sir, are so ardent in her praise. I call to mind, that the Greek church,

countries have fully as just a claim to be "The Church" as the High Church of England

the Papal Church, the Low church, and many

other such churches, or sections, in other
