A Columbus (Georgia) despatch of Monday, the 28th, says that on last Friday morning, before daybreak, Mrs. C. C. Chambliss, of Stewart County, was murdered by three negroes. They fired the fences and drew her husband away from the house. The negroes then proceeded to the house to rob it, and were met by Mrs. Chamblise, abeautiful woman, aged eighteen, armed with s gun. One of the negroes, Jerry Sneed, took the gun and shot her dead. They burned the corn crib and fled, but were pursued and captured. Jerry admitted the deed and implicated his companions, Stephens, Abraham and William colored participants in the lynching threw ing with G.T.R., Royal Mail Line, Say of Quinte the lifeless bodies into an old field to and Rideau Canai Steamers at Kingstone rot, and it was with the great at difficulty that the whites could persuade them to permit burial. A less intellectual man would do that quite as well, if not better, than he could, and he is needed in other and more important spheres of action The proposal of the Cretans, however, shows the regard which his course has obtained for him amongst the oppressed people, and that the down-trodden subjects of Turkey should thus consider him as their firm friend, we have no doubt he wil regard as almost, if not quite as great an honor, as his having been such a great Prime Minister. Viewed in a proper light, the earnest endeavor to set as many of the wrongs of the world right as possible, is the highest mission which any man can

Constitutional Catarrh Remedy.

With all its Loathsome Attendants cured by the

CATARRH.

The Constitutional Catarrh Remedy is the first article placed before the public that proposed to cure Catarrh by building up the Con-stitution. It struck at the root of the whole difficulty, and thousands upon thousands of letters have been received by the proprietors, setting forth the marvelous cures, and what is remarkable, curing not only the Catarrb, but all other ailments at the same time. This is what it always does. Certificates we are constantly receiving, from well known control to whom people to whom you can write, and not bogus ones. Catarrh and its attendant evils, cold in head, hacking cough, meipient consumption, headache, pain in the back and loins, dizziness, languidness, loss of appetite and general weak-ness, all leave together when the Constitutional Catarrh Remedy is taken as recommended.

Home Testimony in favor of Littlepeld's Catarrh Remedy f. J. B. HARDING, Esq., Brockville, 12th Feb., 1876, My Dear Sir,-I can fully endorse, from my own experience, the favorable account of the Constitutional Chtarrh Remedy. It has afforded me relief from Catarrh and Cold every time I used it, and then when I could not take roper care of my self in bad weather. Yours respectfully, C. W. VOLNEY, Brockville, Feb. 1976.

I have great pleasure in recommending the Constitutional Catarrh Remedy to any parties who may require a remedy for that disease. I do so from practical experience, having effected a thorough cure on one of my children with Brockville, Feb. 1st, 1876. From personal benefit received, and almost nstantaneous cure from Cattarrh, Nervous Headache and Neuralgia, as well as from per-sonal knowledge of those whose cures thereby

have seemed almost miraculous, I can most heartily and sincerely recommend the Constitutional Cotarrh Remedy for those comclaints it claims to, cure. A. C. J. KAUFMAN.
