THE RELIGIOUS POSITION
—OF—
THE HIGH CHURCH!
(In Answer to a Letter.)
My DEAR SIR:—
I received your kind letter wishing me to
join the High Church, and the sermon of an
English Clergyman which accompanied it. I
fully appreciate your desire, that I should
possess all true religious advantages, and as I
feel the same towards you, and towards our
mutual friends—and, indeed, towards all—I
thought it would be better to answer your
letter in this way, and perhaps to close up the
sermon. I cannot yield to the assump
tion of the High Church of England, al
though you, my dear sir, are so ardent in
your support of it. I feel that the Greek church,
the Papal Church, the Low church, and many
other such churches, or sects, in other
countries have as just a claim to be "The
Church" as the High Church of England.

For continuation of the above see Pamphlets
just issued and FOR SALE (10c.) BY
