THE HIGH CHURCH (In Answer to a Letter.)

MY DEAR SIE :-I received your kind letter wishing me join the High Church, and the sermon of an English Clergyman which accompanied it. I ully appreciate your desire, that I should possess all true religious advantages, and as I feel the same towards you, and towards our mutual friends,—and, indeed, towards all—I thought it would be better to answer your letter in this way, and perhaps some passages in the sermon. I cannot yield to the as-sumption of the Hi h Church of England, al-though you, my dear sir, are so ardent in her praise. I call to mind, that the Greek church, the Papal Church, the Low church, and many other such churches, or sections, in other countries have fully as just a claim to be "The Church" as the High Church of England.
