### The Two Premiers.

The Reformers of Kingston and "old

Frontenac" have invited the two Premiers-Mesars, Mackenzie and Mowstto be present at a political reception on on the 26th inst. The invitation has been accepted, and, all being well, they possibly accompanied by other members of the Dominion and Local Houses, will address the electors on the above date on the leading public questions of the day. Conservative organs have resurrected certain remarks made by Mr. Mackenzie when in opposition, bearing upon thhe necessity of keeping Dominion and Provincial politics separate. They essay to convict the Premier of violating his avow ed principles, and doing what he once condemned Sir John and John Sandfield Macdonald for practicing. As we have said, the two Eremiers are to speak in Kingston on the 27th, in response to an invitation from the Reform party. Both men have a local claim for special favors, as both have been residents of the city. and are deservedly popular among all classes of the people. The invitation, therefore, partakes as much of a fraternal as a political character. But, even, admitting that by appearing on a public platform in company, to discuss public but steadier but prices nominally unchanged. questions, they are breaking through Sales 200 strong bakers at 7,25; 100 do at the party rules, a reasonable excuse can 7,20; 400 strong extra at 6,60; 100 de at 6,70; be given.
