I freely, that it is really a rival to the The Bell telephone company, having river hotels. It's time for a change. And now it is stated that immethe government engineer went to representative liberals in Kingston and denounced him for faults he has not ! been guilty of. As a consequence not 1 one of them will take up his case, Some of them recommended his appointment, yet they are not willing now to urge that he be given the benefit of an investigation. The manly part is to see that the under dog in the fight gets fair play. The Whig believes that Capt. Ryan, a Kingstoninn, has been badly treated and misrepresented by an outsider, and it! stands by him for fair play.

LETTERS TO THE EDITOR.

Umpire Too Much Abused.

Kingston, Aug. 26 .- (To the Editor): Considerable annovance is felt i by refined baseball patrons over the many senseless "kicks" and protests against the umpire's decisions. Unless something is done towards giving the umpire authority to remove objectionable characters from the game, the sport will be ruined here. Take for instance, Saturday's game, wasn't it disgusting to watch the antics of Daly, of Gananoque. He came here ap-Daly, of Gananoque. He came here apparently with the intention of kicking over everything, and when umpire Sutherland called Tilton safe, and e was safe, this buffoon artist start-'ed in to make things unpleasant. He called to his players to leave the field, but fortunately for the good name of Gananoque, none of them would answer to his erratic summons, as they recognized that the decision was a fair and upright one. It behooves the management of the Ponies or stay at home. We want no more
