Commandant Was Shot. Herschel, Cape Colony, Sept. 4 .--The first actual invasion of the Herschel district by armed Boers occurred this morning. A commando has for some time, and to-days' vaders evidently belonged to force, and intended to rush the British defences and proceed further south in the Cape Colony. The Boers surand Sir Thomas' good fortune dates prised and captured four policemen, turn surprised by a well posted force from that happy advertisement. under Maj. Hook, which received the invaders with well directed volleys and continued firing until the policemen escaped. The Boers fled in a leaving one dead on the field, while three others were taken prisoners. The Britishers captured several rifles and forty horses were shot or taken. The Boers appeared to have plenty of spare horses, but a majority of them like the burghers themselves, were seedy-looking. The Boers were eventually driven out of the district. British suffered no casualties.

Trial For Treason.

Pretoria, Sept. 5.-At the trial of the Boer, Otto, on Wednesday, it was BROS the Boer, Otto, on Wednesday, it was proved that he had surrendered to the British and was living in Pretorproved that he had surrendered to ia. He left here and rejoined his commando at Schurveberg, where he told his companions that he had shot a commandant south of the railway to come and try the prisoners. This comas he was crossing the railway. The Hypnotist and Boers then summarily shot the pris-
