He was on the fair, in looking after changes and imboating parties, including bands was the chairman in whose so to speak, and he has been tireless in fulfilling the trust imposed on him. This morning all the buildings pres-

ented a neat, clean appearance. the outside buildings have been white I washed and brightened. The interior of the palace is a veritable fairyland. Flags and streamers of various co ors appear in profusion, brightening But somehow I cannot forget up the space wonderfully. Add to this scene the beauty of the handsomely decorated booths, and one fails to realize the grandeur of the spectacle without a glimpse of it. Merchants have gone to a lot of trouble in decorating their booths and making attractive. Expense has no been spared in some instances, and the result is a bower of beauty. The ladies department is excellent, the number of exhibits being far greater than past years, while the variety of the goods and beauty of workmanship are unsurpassable. This is the finest exhibit public schools have a lot of space Rush him through college, compel him fitted with results of labors of pupils. This exhibit is instructive and educative, as showing the progress made in Kingston public schools worth the price of admission alone. The next building worthy of a visit is the horticultural hall, where a fine display of fruit and flowers greets the visitor. The interior has been beautifully fitted up, thanks to the situation in McKeesport reached an quarters that the reports might as the season has been a poor one for effort of the striking tube workers to people will know it immediately." fruit.
