Colonel Mosby's Ruse. Colonel Jack Mosby was not very particular whom he picked up on his raids around the corner, but of course preferred a prisoner with straps on his shoulders to one without them. It is told of him that one night in March, 1863, he and his men were prowling about the Union with him a few trusty men. Mosby stole | it at Campbell Bros. up to the general's house, and as General Stoughton turned to face the intruders he

was confronted by a brace of revolvers. by, at your service. Stuart's cavalry are street. all around us and Stonewall Jackson's between you and the army."

And Stoughton was so thoroughly deceived that, though having an army of several thousand within call, he allowed the guerrillas to carry him off a prisoner.
