WOLFE ISLAND'S FAIR.

In Full Blast To-day-A Fine Display Of Everything.

They include: July 20th, special prizes. In the green race the a knife; April 15th, 1895, a horses were very evenly matched, lively discussion, which ended in a a of three heats, this time a new horse crestfallen behind the new comer. Strangers entering the grounds were

much surprised at the number of stylish turnouts, as every young man had his top buggy and best girl at the fair. The best turnout received charge of drunkenness. "Guilty," said a prize, which will be announced tomorrow. All-were disappointed that the judging did not take place to-day,

In the ladies' department the work was of the highest order, excelling Kingston and Cape Vincent. Some of the articles failed to get a prize here, although they got prizes at those places. The competition in bread very keen, some very fine samples being shown. The Frontenac and Kinged 100 pounds of flour for the best loaf of bread.

The paintings were particularly play of furniture which helped very materially to decorate the hall of fine arts. The music of the island band was sadly missed, the only thing being heard was quacking and cackling and crowing, coupled with the merry voices of children. The names of prize winners will appear later.

HON. ANDREW MURRAY.

Was Heir Presumptive to Earldom of Mansfield.

Lord Lovat's scouts are one of the most famous of the irregular corps added to the British army in the conceived the idea of utilizing Highland deer stalkers to supply want of trained and reliable scouts in the regular army. He received the authority of the war office to raise and organize such a body, and h himself led out a strong regiment. which received the name of Lovat's scouts. The contingent was composed of stalkers, game-keepers, gillies and others whose lives had been spent among the hills and glens of the north of Scotland.

Lord Lovat, himself 'a thorough sportsman, and a foremost supporter of every Highland game and custom, was a most popular leader and taken out a second contingent.
