To-day we were licked fairly and squarely. Under the conditions and for the weather each boat did all that was in her. Throughout it was the most beautiful contest I have ever seen, and I doubt if any one has ever seen a finer. If the wind had fresh ened just a bit on the run home we would have a third of that cup firmly in our possession now.

It was clear what Shamrock could do every time she got a wind that was worth while. It was then she went ahead and kept ahead. Whenever we had the wind we had an advantage. It was a true race, fair and square, and after such a race and such a showing on the part of Sham rock all you have to do is to give us that cup without the shadow of a The time to be lengthened as the pu- doubt. I am more firmly convinced of that than ever.
