Objections To Sydney. Toronto, Oct. 9.-The Evening Telehas gram's special London cable says: men here disagree with lord Strathcona's opinion that Sydney, Cape Breton, could be the terminus of fast line connecting Canada with the mother country. They claim that commercial men and tourists west Montreal will not journey so far east as Sydney to get an ocean steamer. The opinion here is that the job would be best handled by the Canadian Pacific railway.

To Counteract the Combine.

Glasgow, Oct. 9.—Another combination to combat the invasion of Great Britain by the American tobacco company is under discussion. The scheme, as unfolded at a meeting here, convened by the tobacco dealers' alliance includes the undertaking by a firm of price cutting retailers to manufacturers for other retailers and raise their own retail prices to the allian co in nimum sinciule. It tailers will join the movement.
