Deep-seated Kidney Disease Defied the Skill of Physicians-Great Sufferings From Lumbago and Backache.

Few people realize what a vast proportion of serious illnesses arise from cold settling on some delicate organ of the body. The kidneys and liver, as well as the lungs, are very easily affected by sudden changes of temperature, and the results are I often suddenly fatal. There is scarcely a man who is subject to exposure to dampness and cold but will by interested in the following letter.

is a common experience with farmers, teamsters, railroad men and laborers to have a cold settle on the kidneys and throw these organs, as well as the whole digestive system, out of order. There is usually backache, pains in the sides and limbs, deposits in the urine, pain and scalding with urination and irregularity of the bowels.

unable to work, and though I tried several physicians I could only obta-

brean to use them, and after using seven boxes was complete-

Dr. Chase's Kidney-Liver Pills

So many thousands of cases of serious kidney disease have been cured by Dr. Chase's Kidney-Liver Pills that they have come to be considered an absolute cure for all kidney derangements. They are purely vegetable in composition, prompt and pleasant in action, and thorough and far-reaching in their effects. They are endorsed by doctors, lawyers, ministers and others, and are beyond doubt the most efficacious treatment obtainable for diseases of the kidneys and liver. One pill a dose; 25 cents a box : at all dealers or Edmanson, Bates & Co., Toronto.
