and about nineteen years old, he fell in love with a Polish ballet girl named Masha, a daughter of the race which his father was even then persecuting with inexorable severity. She came from a little town near Warsaw and danced her way into the imperial opera house at St. Petersburg, where shet made a profound sensation by her beauty and graces and turned the heads of all the princes and grand dukes. She gave herself to the prince imperial, and he was so infatuated that he determined to marry her and sacrifice even his title to the throne. pledged themselves not to complicate prices. were permitted to live as husband public places. Everybody knew who she was, but he seemed to be proud of her rather than otherwise, and his devotion was approved by a tolerant his father made it imperative for the czarowitz to marry. The sons of kings and emperors are trained to discipline, and usually have a high appreciation of the responsibilities that rest upon them, so he promptly acquiesced in the plans of the ministry.

The young and beautiful princess Alix, daughter of the grand duke Hesse, and the favorite grandchild of queen Victoria, was selected for his wife, and the Polish Jewess, with her of Russia, where she has since occupied a pretty villa.
