# Consumption

A cure that cures Consumption and its many kindred ailments is now within the reach of every sufferer. PUL-MO was perfected after many years of study and experimenting by a well-known German scientist, and has effected more cures than any other preparation which has been offered to the public. PUL-MO, while somewhat new in Canada, BRONCHITIS has been and is curing thousands of cases, and we have on fyle many testimonials and kindly letters written us by grateful people who have been returned to perfect health. MIGHT SWEATS PUL-MO is the only absolute cure where there is Consumption, Throat

and Lung trouble, Coughs, Colds, La Grippe, Bronchitis, Night Sweats,

Chills, Fevers, or any other symptoms which may indicate a tendency

toward consumption. PUL-MO has cured thousands of cases which had been treated by physicians without success, and finally pronounced by them as hopeless.
