PHYSICIANS SAY SO

Angier's Petroleum Emulsion not only quickly relieves the most obstinate cough, and soothes and heals the throat and lungs, but at the same time it promotes appetite, aids digestion, and greatly improves the general health.

Is equally good for the cough of chronic bronchitis, with profuse expectoration the dry harsh throat cough, the irritating cough of influenza, and for whooping cough and croupy coughs of children. To those who are subject to bronchial attack it is an especial boon. The cough and breathing are made easier almost immediately, the irritation in throat and bronchial tubes is soothed, the character of the expectoration is altered and a general improvement effected in all the symptoms. We have hundreds of reports from all parts of the English-speaking world attesting its remarkable power to relieve and cure troublesome coughs.

BRONCHITIS: -- I have used Angier's Petroleum Emulsion in my own family, and find it is without an equal in either acute or chronic diseases of the air passages. I also find it has a beneficial action on the digestive organs. I have a case now in this city of bronchitis with profuse and fetid expectoration, and he had, previous to my being called, tried various preparations of cod liver oil and creosote without avail. I put him on your Emulsion, and his improvement was apparent from the beginning. He is now able to attend to his duties. I will continue to recommend Angier's Emulsion, as I deem it a very valuable preparation. R. F. BROWN, M. D., New Britain, Conn.

CAUTION :- The phenomenal success of ANGIER'S PETROLEUM EMULSION has been the means of producing many untried and worthless imitations. Always be sure you get the genus ANGIER'S Petroleum Emulsion, as imitations made with the ordinary Petroleum do not have the same effect. Angier's Petroleum Emulsion is made from oil obtained from particular wells and refined by a peculiar process, which is known only to the manufacturers of Angler's Petro Emulsion. All druggists scil it. Two sizes, 50 cents and \$1.00 a bottle.

YOUR NAME AND ADDRESS on a postal card will bring you a free copy of a valuable bookle. entitled, "ABOUT YOUR THROAT AND LUNGS." It tells how to care for the Throat, Lungs, and Digestive Organs. It gives good advice as to Diet and Hygiene, also Exercises, which are illustrated.
