A QUESTION OF PROMISES. There has not been in Canada government which has been so neglectful of its promises as that of Manitoba, first under the premiership of Mr. Macdonald and latterly under the direction of Mr. Roblin. In 1899 the conservative party of the province mee in convention and adopted platform. It was composed of mineteen planks, and every one of them, FACT singular to say, has been broken in the last two years. Note some these effects:

Should Be Open.

Kingston, Dec. 17 .- (To-the Editor) have long wondered why our local oanks did not make an attempt accommodate the merchants who business with them, by remaining open Saturday nights to receive deposits Last Saturday night's lamentable a fair, by which a woman struggling make a living was knocked down robbed on our public streets, convince me all the more of the need of banks furnishing the accommodation speak of.

business on Saturday than on all other days of the week combined Consequently they generally have large accumulation of money on Saturday night. Not every merchant has ing him. a secure safe in which to store t cash until Monday; and even though is stored in his place of business, takes great risks for its safety. tenths of them carry their cash home take the risk of meeting with the same treatment as that accorded Mrs. Metcalfe.

Now, supposing the banks opene up Saturday nights, for receiving posiss only, from nine to ten, or to eleven o'clock, would not the mer chants appreciate such accommoda tion, knowing that their earnings wer safely cared for? I think the bank introducing this much needed reform will enhance its business and add its popularity.-MERCHANT.
