Now the little Bethlehem Inn; the day on the school is short in its accounts by that amount, and the board of conlooks to the government to make good the shortage. The government side of the question

has yet to be heard, and it will surprise every one if in that defence it be admitted that the Toronto people should receive a third of the appropriation for technical education. There are technical classes at Ottawa, Galt, Woodstock, Kingston, and Toronto, (outside the technical school), and it was these that the legislature had in mind and meant, mainly, to aid its appropriation.

The subject is one which; as the Mr. Harcourt recently pointed out, the province alone cannot adequately handle. Technical education is a large issue, and the federal government should be asked to deal with it in the interest of that wonderful development in mining and manufactur- example of Christ; we should remem-any medicine known, hence its effects are entered. THE CHRISTMAS MESSAGE.

To morrow is Christmas, the birth his humble cottage the day is as dear There does not appear to have been and as sacred as to the millionaire which, in the city of David, a Saviour, which is Christ the Lord, was born to save His people Israel; the day on which that grand anthem first With on Earth, Good Will Towards Men. We can scarce get past His cradle in our wondering, to wonder at His The magicians or wise men, who

came from the east to pay their homage to the heaven-born Child, laid their rich gifts at His feet. Thus, perchance, was "originated the beautiful custom of gifts at Christmas time. Christ remembered the poor; it was the shepherds tending their flocks on the hill who first received the message; it was 'to the poor He preachea the gaspel"; it was the sick and all that thou hast and distribute unto the poor." We should emulate the

swift keels of our ships plough the The school of mines in Kingston and furtherest seas. Marvellous mineral rewaiting to be reclaimed from their primeval state. All we want is men--men in the forest, in the field, in the mine and in the factory.

Righteousness exalteth a nation, chased a very fine thoroughbred colt and Canada wants men to-day who of late, appears to be the most un- take as their ideal the Christ-life. fortunate is Mr. Robbins, the orator Leaders are needed in every walk of at the last monthly meeting of the life-men of intellect, large of heart bly to be held in Barriefield town most critical mood, and while he peachable.
