Foreman for the Dominion Cooperage Co., Praises the Oxygen Preparation, Powley's Liquified Ozone.

The process of manufacture of Powley's ious fads of dress, but above all in Liquified Ozone is a long one. It takes time, good upon the hoped would bench. I would Dorothy Mel
Torothy Mel
Tor of obtaining money from J. J. Carlons at weddings, funerals, and re-

ture's great health-giving element. That it has extreme value is evihands in former days began to denced by Mr. Moore's letter in which he says:

As foreman of Mr. Thompson's Cooperage works, I have put up in your laboratory several heavy retorts for making Ozone. I and my men noticed, while working in the laboratory and inhaling the gases, our energies and health becoming stronger. I obtained several bottles for my own use and I am pleased to state your remedy perfectly agreed with my stomach and built up my general constitution. I am recommending it to all my friends.

You are at liberty to publish this for the benefit of humanity. JOHN MOORE, 140 Front St., West, Toronto, Ont.

The reason that Powley's Liquified Ozone makes cures is because it contains oxygen. This element has been found lately to be of extreme value in the treatment of disease of your friend Tom, and I'll have you at Christ church in plenty of time for "But, see here," put in uncle Wil- Neville, Switzerville, and Rev.
