Opinion on the Dominion

The two sanguine visions of Sir John Macdonald, in regard to the streams of immigration which are to set in towards Canada as the direct result of his Pacific Railway scheme...

The fact of having only one arm had much to do with the escape from the gallows of Dolan of Montreal who had stabbed to death a man named Larkin in a drunken frolic...

It has several times been rumored that Mr. Chapleau, Premier of the Quebec Government, was shortly to be promoted to a position in the Dominion Cabinet...

NEW PACIFIC SCANDALS

It would certainly seem as though the Royal Commission, instituted for the purpose of discovering, if possible, some evidence of impropriety against the late Liberal Ministry...

A press despatch from Ottawa says that consternation has been caused in the households of the capital by an advance in the price of coal...

NOTES AND COMMENTS

It is understood that Sir Charles Tupper will break his connection with the Government, and become a member of the Railway Syndicate.

POSSESSIONS AND PROSPECTS

Although the discovery of the precious metals is often the exciting attraction to pioneer immigration, yet as a rule, agriculture is the first thing which demands and receives attention in a new country...

In various parts of Quebec, also, valuable mineral discoveries are being constantly made, while mines that have been for some time in operation are not only holding out well but rewarding their enterprising projectors with fresh success.

FALL RACES

The Kingston Race Association commenced its Fall meeting yesterday afternoon. The prospects were somewhat marred by the suspicious weather, the adjournment from Tuesday until Wednesday being a circumstance that was lamented but could not be avoided.

The first heat—"Grandmaster" led "Macedonics" second, but evidently he had been passing the half mile "Macedonics" fell behind and "Paw" went in pursuit of "Grandmaster," coming in a fair second. Time, 1:30.

The second heat—"Grandmaster" again led, "Macedonics" second. The quarter "Grandmaster" and "Macedonics" were side by side. At the half mile "Macedonics" took the lead and kept it. "Grandmaster" being a good second. Time, 1:30.

The third heat—"Paw" led, "Grandmaster" second. The quarter "Grandmaster" and "Macedonics" were side by side. At the half mile "Macedonics" took the lead and kept it. "Grandmaster" being a good second. Time, 1:30.

The following were the officers of the day: Judges—Col. Hauck, Mr. J. C. Clarke, and Mr. Adams, of Watertown.

The first race was of a local character, being open to horses owned in the city and counties of York and Westchester. It was run on the 11th of September.
