HOLLOWAY'S OINTMENT

The anniversary of the introduction of Ho loway's Ointment ought to be a jubilee forever. t has saved countless multitudes from disfigurement, paralyzation, mutilation, agony, and death. Starting from the surface to which it is applied, its healing balm finds its way through every coating and ligament of the body, to the guishes the febrile principle that feeds them. and the outward symptoms fade, heal, and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Ulcers. The poison of Scrofula has never been neutralized or expelled by any of the remedies the pharmacopæia. The Sole Antidote to this virulent and destructive element, is Holloway's Majendie & Brodie, the great French and English surgeons, do not deny or dispute this great fact. There is no form of scrofula that may not be controlled and cured by this balsamic remedy.

Cancers and Tumors. The knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescent remain in the blood, and it is soon reproducin a worse form than before. Holloway's Ointment, on the contrary, penetrates into the cir-152 culation, and pervades every infected vesicle and kills the disease by destroying the corro sive principle that generated and sustains Indammations of the Skin.

All rashes and ordinary cruptions, as well ERYCIPELAS, ACNE, RINGWORM, CAR LEPRCSY, PRICKLY HEAT, &c., are re moved by a few brisk applications of the Oint ACCIDENTAL INJURIES WOUNDS, SPRAINS, BRUISES, SCALE and BURNS are immediately relieved by

application. The inflammation quickly sub fever and lockjaw are prevented, and under preserving use of the preparation, the process of healing is soon accomplished. Both the Ointment and the Pills should used in the following cases: Rheumatism, Sore Threats.
