OF LEAVING BED TO BED.

"In October, 1877, my wife, giving birth to a child, left her bed too early and caught a severe cold, which promised to terminate her life. The best physicians in this neighborbood and Kingston were in attendance on her, but all to no avail-the Doctors had given her up to die. For seven consecutive weeks I sat at her bedside, momentarily watching to see her breathe her last. I hapon. Pened to see a copy of your paper, called the Moving World, and there read of your Medicines. I resulved to test them as a last resort. I gave her the Resolvent with the Regulators-and Relief-according to directions, and in three days I observed a wonderful improvement. From this she daily re-

covered, and is now, thank God, better than ever she was in her life. "The child, when three months old, eaught a bad cold, and dwindled away to a mere while the doctors gave her up to death. again had recourse to them. I gave him the Resolvent interpally, and used it as a wash
