TESTIMONIALS Herald & Advertiser Office, Kingston, C.W., October 24, 1862. . Thompson, Agent for the Grover & Baker Sewing Muchine, Kingston :-

Grover & Baker Sewing Machine, which I perienced. purchased from you soon after you opened. ing Machine. The simplicity of its mechanism | the body, you establish a safeguard against secures it from getting out of order (which 1 | disease and death. consider one of its greatest recommendations as a family sewing machine), while its modus operandi is so simple, that a child may be taught to work it efficiently in a few lessons. may add, that Mrs. Armstrong finds it efficient in all kinds of family sewing, braiding,

quilting, &c., &c., and that each day's experience in its use adds to the value she places Very Sincerely yours, WM. ARMSTRONG.

Editor Herald & Advertiser.

Sin,-The Sewing Machine which you sold for one of my daughters does most excellent work. It was easy to learn, and it is found so very useful in the house that the wonder is how the family could have done without one.

EDWARD JOHN BARKER. Kingston, Oct. 27, 1862. Kingston, Oct. 26, 1862.

The Grover & Baker Machine you sold me, muslin and the coarsest cloth, and have never

not likely to return it. The handsome embroidery done by it, specially recommends to ladies about purchasing CHRISTIANNA REID

Kingston, October 1, 1862. Sir,-I have used one of your Grover & Baker Sewing Machines for about three month At your request, I write to say what I think of its qualities. I am greatly pleased with its performance. I had been told that the stitch would not wear or stand washing, but have found that such is not the case, work done for me by Mrs. Thompson several months ago remains as good as at first, although subjected to many washings, and since f have purchased the Machine from you, I have done

all the work of my family, and have found the stitch to be durable. The Embroidery stitch which it throws out is in my opinion a strong recommendation its favor, especially to ladies. I must not forget to add that I have had

in bearing testimony to the excellence of the

Grover & Baker Machine I got from you three I have been working it, less thickest materials, and find it does both wit equal facility. I find the stitch to be both very durable and strong. The first work done by me remains as good to-day as where first done, although I have washed I am sure any person wanting Machine could not do better than purchase you, your terms are so fair, giving, as you its favor, and, although somewhat dearer than other Machines for sale in the city, I

consider it well worth the difference.

To those who don't Think To those who do Thick
