Kingston, Oct. 25, 1862. TESTIMONIALS.

Herald & Advertiser Office, Kingston, C.W., October 24, 1862.

municating to you, on the part of Mrs. Armstrong, her complete satisfaction with the Grover & Baker Sewing Machine, which I purchased from you soon after you opened and she assures me that, in the various de- days after the application of the Ready Repartments of family sewing, she finds it daily lief. Bear in mind that heat is a sure indicabecome more valuble, as experience in working develops its capabilities as a Family Sewing Machine. The simplicity of its mechanism secures it from getting out of order (which 1 consider one of its greatest recommendations as a family sewing machine), while its modus operandi is so simple, that a child may be taught to work it efficiently in a few lessons. I may add, that Mrs. Armstrong finds it efficient in all kinds of family sewing, braiding, quilting, &c., &c., and that each day's experience in its use adds to the value she places

Very Sincerely yours, WM. ARMSTRONG, Editor Herald & Advertiser.

Sir, -The Sewing Machine which you sold for one of my daughters does most excellent work. It was easy to learn, and it is found so very useful in the house that the wonder is how the family could have done without one.

Kingston, Oct. 27, 1862. Kingston, Oct. 26, 1862.

To Mr. Thompson The Grover & Baker Machine you sold me, now nearly four months ago, I am exceedingly pleased with. I have worked it on the finest muslin and the coarsest cloth, and have never had the slightest trouble with it. It is unnecessary to say anything in its praise, as the Machine speaks for itself, and I am sure anyone purchasing it will be greatly pleased as am with it. Working as you do from spools I find a great convenience and saving time, thereby avoiding the winding of thread. as required in all other Machines. I find the stitch to be both very strong and lasting, and does not ravel, as I was led to believe. washing or wear. Giving a fair trial of the itself the best guarantee for its worth, and am sure any person once having a trial, is not likely to return it. The handsome embroidery done by it, specially recommends

Sir,-I have used one of your Grover & Baker Sewing Machines for about three months. At your request, I write to say what I think of its qualities. I am greatly pleased with its performance. I had been told that the stitch would not wear or stand washing, but have found that such is not the case, work done for me by Mrs. Thompson several months ago remains as good as at first, although a bjected to many washings, and since I have purchased the Machine from you, I have done all the work of my family, and have found the stitch to be durable. The Embroidery stitch which it throws out
