HORSES! HORSES! HORSES!

CARLTON'S
Condition Powders For Horses,
And also for Cows, Sheep and all Stock.

FATTENING STOCK.

Farmers will find it a saving to them of many dollars by using these Powders. When fattening Stock, by mixing a little of these Powders with the food, you will find that it will make one bushel of Feed do more good than two bushels given without the Powders. In feeding one hundred bushels of grain a man can save at least fifteen bushels by using these powders. Use them and you will find it so.

The many DISEASES of Horses can almost all be Prevented or cured by these Powders.

One Powder drives out Worms. One Powder cures Bots. One Powder puts a Horse in condition. One Powder makes a Horse shed his coat. One Powder gives a soft and glossy appearance to the hair. One Powder cures the Horn distemper in Cattle.

The Carlton's Condition Powders, given according to directions, are the best thing in the world to strengthen a horse, and to restore him to health and vigor after severe exposure or hard driving.

These Powders cause a healthy action of the digestive organs, and purify the blood of animals, thereby equalizing the circulation of the blood, and imparting vigor to the whole frame. This soon demonstrates itself by an improvement in the appearance of the coat, for it is a certain fact that no animal can be in perfect health if the coat be rough and unthrifty.

Carlton's Condition Powders
will be found a perfect Tonic and Restorer after attacks of any acute diseases, such as Influenza, Strangles, Inflammation of the Lungs, Nasal Gleet, etc.

Every one who owns Stock of any kind should use this Medicine. It is always beneficial and is so harmless that it can always be given without fear.

Farmers who are Fattening their stock should use these Condition Powders. They will keep all kinds of stock healthy and in good heart, and make them fatten much quicker than they otherwise would.

REMEMBER THIS CAUTION.

FIND THE SIGNATURE OF
J. CARLTON COMSTOCK
in full on the wrapper of each Package.—This is the only test of the True Carlton's Condition Powders.

Take no 'Condition Powders' without this signature.

The Condition Powders are put up in large Packages and sold by all Druggists and Medicine Dealers at 25 cents per package.

JUDSON'S
Mountain Herb Pills.

Above we present you with a perfect likeness of Tecumseh, a celebrated chief of the strange Aztec Nation. Their name is legion, and we will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis from the Agents for these Pills.

The Inventor and Manufacturer of "Judson's Mountain Herb Pills" has spent the greater part of his life in procuring, at great risk, nearly every drug in the world. He spent over six years among the Indians of the Rocky Mountains, and it was thus that the "Mountain Herb Pills" were discovered. A very interesting account of his adventures there, you will find in our Almanac, and is highly

an established fact that all diseases arise from

IMPURE BLOOD!

The blood is the life, and when any foreign or unhealthy matter gets into it, sickness is the result. If it is not driven out of the body, every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and a wretched state of health ensues. The lungs become clogged with the poisonous matter, hence a cough—and all from a slight impurity at the fountain-head of life—the blood. As if you had thrown some earth (or matter) in a pure spring from which you got your drinking water, you would not drink from it until you had removed the cause of the impurity. Even so with the blood, for if you do not remove the impurities from the blood, but regenerate all the secretions of the body, they are therefore unrivalled as a

CURE FOR BILIOUS DISEASES.

Dyspepsia, Sick Headache, &c. These Anti-Bilious Medicines expels from the blood the hidden seeds of disease, and restores all the fluids and secretions pure and fresh, thereby revitalizing the vital organs.

Pleasant indeed, is it to us, that we are able to place within your reach a medicine like the "Mountain Herb Pills," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in existence for the following Complaints:

Blood Complaints,	Debility,	Humors, Weakness,
Cholic,	Fever and Ague,	Liver Complaints,
Colds,	Female Complaints,	Lowness of Spirits,
Chest Diseases,	Headache,	Piles,
Costiveness,	Indigestion,	Sores and Wounds,
Dyspepsia,	Influenza,	Secondary Symptoms,
Diarrhœa,	Inflammation,	Worms.
Dropsy,		

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

☞ The Plants and Herbs of which these Pills are made were discovered in a very surprising way among the Indians, a tribe of Aborigines in Mexico. Get the Almanac of our Agent and you will read with delight, the very interesting account it contains of the "Great Medicine" of the Aztecs.

Observe.—The Mountain Herb Pills are put up in a Beautiful Wrapper. Each box contains 40 pills, and Retail at 25 cents per box. All genuine, have the signature of B. L. JUDSON & CO., on each box.

It contains nearly 300 Songs! Among these are: Our Flag is there, Revolutionary Tea, Hail Columbia, Star Spangled Banner, Origin of Yankee Doodle, Children of the Union, Up goes the Banner, and many other equally Patriotic Songs. Its brilliant collection of Home and School Songs comprises Shining Shore, Cheer, boys, Cheer, Child's Wish, Dearest spot on earth, Nettie Moore, Home Again, Grave of Washington, May Queen, Shells of Ocean, Lulu is our Darling, Shed not a tear, Annie Laurie, and nearly two hundred others, together with a large variety of Sacred Pieces and Favorite Sabbath Tunes. It is prefaced with Instructions and Exercises, the latter including several pieces with motions adapted to the various grades—a very attractive feature.
