#### HEBREW SURNAMES.

Most of Them Date Back Only Two Hundred Years.

The family names of European Jews are of comparatively recent origin, mostly from the seventeenth and eighteenth centuries and the first part of the nineteenth. When they were obliged by law to assume family names they did so either according to their traditional custom, calling themselves Abrahamson, their native country, as Sachs, Schwab, Pollack, Baier, Bochm, Schweizer, Tyroler, Oestretcher, Höllaender, etc. Others, again-and these are the majority-named themselves from their native towns, such as Frankfurter, Berliner, Oppenheimer, Posner, Landauer, Fuerther, Assail's Marburg, Wetzlar, Erlanger, Bezabeim-

The descendants of Aaron mostly kept up the names of Cohn, Cohen, Cowen or Katz, and the Levites maintained the name of Levi, Levy, Leyh or Brill, the last being composed of the initial letters | of Ben Rabbi Jehuda Levi. Some few ESTLE are translations from the Hebrew; Huebsch and Schoen from Jafeh, Wise from Chacham, Weis from Zaban, Roth from Edom. Still there are quite a number of Jewish names much older than the eighteenth century which are evidently not taken from any town or country, also among the German Polish Jews, such as Heller, Mack, Moch, Block, Bloch, etc. Euphonious and attractive names, both from the fanna and flora of Europe, were frequently chosen. When emigrating to other countries, the bearers of these names would often translate them into the language of their new habitat. Schoenberg became Belmont, Blumbenberg changed to Montefiore, Loewenthal to

There Was No Duel, Colonel Crisp when in the Missouri legislature was one of the central figures in a scene which promised bloodshed, which ended in a hearty laugh and which was the cause of an astounding remark from Hop. John W. Farriss, the then speaker. Crisp and another belligerent son of Anak got into a debate which grew into a quarrel. They shook their fists at each other and roared like a pair of Numidian lions. Everybody expected and many hoped to see a regular old fashioned knockdown and drag out fight, which expectation and hope were frustrated and dashed to the ground by | against them .- Boston Transcript. Speaker Farriss remarking:

The sergeant did not use the which so amazed the bellicose legislators drift, but swimming his horse that they stood in a state of lingual pathe river brought the prisoner ralysis, while the spectators laughed till ;

Lots of Vowels,

In the Hawaiian language every word ends in a vowel.
