Tailors' Bad Backs.

The cramped up position in which a tailor works comes hard on his kidneys and hard on his back. Very few escape backache, pain in the side and urinary troubles of one kind and another.

Oftentimes the first warnings of kidney disease are neglected—think it will be all right in a day or two—but sick kidneys won't get well without help.

DOAN'S KIDNEY PILLS

Are the best friend of kidneys needing assistance. Read the proof from a tailor who has tried them.

Mr. John Robertson, merchant tailor, Durham, Ont., gives his experience as follows:

"I had been ailing with my kidneys for more than a year when I commenced taking Doan's Kidney Pills, which I got at McFarlane's drug store, and am sincerely glad that I did so. The wrong action of my kidneys made me sick all over and caused me much inconvenience and pain. That is now a thing of the past, because Doan's Kidney Pills cured me. I have had no trouble or inconvenience with my kidneys or back since I took these remarkable pills, and you may be sure that I gladly recommend them to other sufferers."

Although confined to her bed for the past year with rheumatism, her recovery was looked forward to. Mrs. Guess' maiden name was Miss Shorey, Napanee. She leaves, besides her bereaved husband, three sons, George at Greenwood, B.C., Harry at Keewatin, Manitoba, and Ross, aged thirteen, at home. The deceased was a faithful member of the Methodist church and a woman whose many good qualities and devotion to home and family will long remain in the memory of those who had the pleasure of knowing her. Many friends extend sympathy to the bereaved family. The funeral will take place Thursday at 2 p.m.

Kepler Items.

Levi Cranston is much improved in health.

Issue A Challenge.

Sydenham, Oct. 5.—The association football game is still the interesting game in some places, as was shown by the large crowd of spectators at the game played at Inverary on the 3rd. The game played by the Perth Road seniors and the Sydenham juniors resulted in a score of two to nothing, in favor of Perth Road. Dr. Freeman is deserving of praise for the gentlemanly way in which he refereed the game to the satisfaction of both teams. The rough condition of the ground was a serious drawback to both teams. We accept our defeat cheerfully, and all agree that Perth Road has a strong, able team, capable of meeting anything on the football field. We would feel better satisfied if the Perth Road seniors will give us a return match on Sydenham grounds, or any other field that is fit to play on. We have a first class field and hope that Perth Road will accept our challenge for a friendly game.

Matawatchan Matters.

Matawatchan, Oct. 8.—Crops have been splendid. The country is dotted over with haystacks. Miss Christina McPherson was united in marriage to James Carswell a few days ago. They have our good wishes. An ice-cream social was given by the Sunday-school on Friday evening last. The ice-cream was a minus quantity, but the programme was good and the proceeds very satisfactory. Miss Bella McPherson is home from North Bay. Harry Leach is at S. Strong's. Mrs. H. McFayden and Miss M. Kelly have gone to Renfrew. Miss Catherine McPherson has gone to Hilan Creek. Most of the young men are away to the lumber camps in the north. The Presbyterian missionary, J. C. McConachie, leaves next week for Queen's college. Mrs. McGregor is not much improved since her return from Renfrew, where she went for medical aid. Adam McLellan is making great improvements on the Vennacher road. The one hundred dollar supplementary grant will complete the work.

Philipsville Pointers.

Philipsville, Oct. 7.—W. Chase is getting his last brick and tile kilns ready to burn. R. Lemmon is stocking his brick and will put a fire under it in a few days. Filling silos will be a thing of the past this week; almost every farmer has tons of corn more than he can get into the silo. There are large fields of corn to cut yet. This part of the country has had only one frost to amount to much and that was not hard enough to kill tomato vines. The woman's mission will hold their annual meeting in the Baptist church on Sunday evening, Oct. 9th. Rev. J. C. Steanore, Brockville, and Miss Bertha Gill, of Philipsville, will each address the meeting in behalf of missions. Miss Gile leaves soon for South America. Mrs. Hitchcock, F. Fulford, Brockville, and Mrs. McNish, Lyn, were the guests of Mrs. Hettie Brown last week.—C. Haskin and Mrs. E. Brown are on the sick list. Potato digging comes next in order. Mrs. William Laishley and Master J. L., Toronto, spent the past week with her father and mother, Mr. and Mrs. W. B. Phelps, and returned to Toronto on Saturday, Oct 6th.

Sharbot Lake Lispings.

Sharbot Lake, Oct. 8.—The tourists and campers have nearly all returned home. We regret the departure of Mr. and Mrs. W. Robinson and hope that they may yet spend many summers with us. J. Thompson has moved into his new home, which is a credit to him and also to this village. He has with him now for a visit his mother and two sisters, from Mallorytown. Miss M. Thompson and brother are visiting friends at Lansdowne and Escott. L. Burnham has gone to visit a brother at Alexandria Bay. Miss M. Kilborn is visiting at McDonald's Corners (Dalhousie). Mr. and Mrs. G. Robinson are visiting friends at Finch. Mrs. (Dr.) Cannon was called away to see her daughter, Mrs. Seese, of Finch. Visitors: Miss Milliken, Ottawa, at W. Milliken's; Miss Mather and Miss Saunders at J. Reynolds'; Rev. W. Brown, Methodist, was called to Oso to perform the marriage ceremony for Harry Lake, of that place, who was married to Miss Cardinal, Calabogie. W. McCharles has moved to Silver Lake. Mr. Peters, Doranville, moves into T. Briggs' house, and W. Kimberley, South Sherbrooke, moves into the boarding house at Doranville. W. Lillie will move his family here from Maberly. The annual children's day service was held in the Presbyterian church on Sabbath.

Died From The Injuries.

Ernesttown Station, Oct. 9.—Mrs. S. Paul attended the convention at Napanee last week as delegate from the Union auxiliary. The Messrs. Deshane have moved to Napanee, where more lucrative positions awaited them. Mr. Thompson occupies the house vacated by them. Mrs. Alfred and Mrs. Elmore Amey spent Tuesday in Napanee at the convention. Mortimer Kilgannon has taken unto himself a partner for life, in the person of Miss Mary Canalley, Bath, and takes up housekeeping at the station. Congratulations. W. Doyle has taken the place of J. Deshane on G.T.R. Stanley Hogle, wife and children, Lynn, spent a few days at his father's recently. W. Amey and family, Cobourg, returned last week from a visit with friends here. F. Rombough and wife spent Sunday at Nicholas Amey's. Miss Alma Hogle, matron in one of Boston city hospitals, paid a flying visit to her parents a few days ago. Her health becoming impaired by too close attention to her duties, she spent a few weeks in Muskoka, and returned much improved. Word has just been received here of the death this morning of Miss Annie Lucas, eldest daughter of Mr. and Mrs. Dennis Lucas, formerly of this place. Death was the result of injuries received by being thrown out of a carriage a short time ago. Much sympathy is expressed for the bereaved family.

Death Of A Devoted Wife.

Bloomfield, Oct. 8.—The Bloomfield packing company has finished canning. D. B. Bowerman left last week for Calgary on business. Mrs. Eliza Varney has arrived home after spending several months among the Doukhobors of the north-west. Elgin Christy, Chicago, is visiting friends and relatives here. Miss Florence Mallory, New York, is home on a visit. Mrs. T. Owens, who has spent the summer at her former home in England, has returned to Bloomfield. Large crowds attended the Roblin Mills and Coe Hill fairs. Elias Young and wife have moved from here to their newly purchased farm in Picton. Alva Young, Montreal, spent a few days among his friends. Mrs. W. H. Robinson, Hattiesburg, Miss., has been visiting friends and relatives here. W. A. Johnson and wife, H. Hubbs and wife, and Stewart Brown and wife leave this week for a trip to New York city. There has been no damaging frosts yet. Rev. Mr. Wilkinson, Trenton, preached here on Sunday. On Saturday Mrs. Benjamin Leaven's death came as a shock to the people in this community after a short illness of only a few days. Mrs. Leavens was in her usual good health the week previous, but was taken with a sore throat, which rapidly developed into a severe case of diphtheria, which caused her death at the age of thirty-three years. Besides a husband Mrs. Leavens leaves two small daughters, a mother and brother, who feel her loss keenly. The funeral was held on Sunday morning from her late residence to Glenwood cemetery.

Death At Wilton.

Wilton, Oct. 10.—A very sad and sudden death occurred in the village early Monday morning in the person of Mrs. Frederick Storms. Deceased leaves a husband and eight children, four of whom are quite small. The funeral service was held in the Free Methodist church yesterday afternoon, of which body she was a member, and was largely attended. Rev. Mr. Nesbitt officiating. One son, Maitland, is at present in the general hospital, Kingston, just recovering from an attack of typhoid fever. The family have the sincerest sympathy of the whole community. Another sudden death occurred at Thorpe, yesterday morning, Charles Snider, an old resident of that place, ailing but a day, suddenly expired, heart failure being the immediate cause. Deceased leaves a widow and four sons, Alonzo, Switzerville, Fred., Kingston; Walter, at home, and Dr. Elias Snider, formerly of Cataraqui. The funeral services will be held Thursday morning at 10.30 o'clock in the Methodist church, of this place. Still another death that will cause extreme sorrow to a great number of friends took place yesterday afternoon in the person of Miss Annie, eldest daughter of Dennis Lucas, after a few days illness. An operation was performed last Friday, from which she never recovered. Rev. Mr. Black, Fergus, occupied the pulpit in the Presbyterian church last Sunday evening. Rev. W. Cram, Bath, is expected to preach next Sunday evening. Rev. D. Dey, commenced a series of revival services in the Methodist church last Sunday evening.

Lansdowne's World's Fair.

Lansdowne, Oct. 9.—The last Lansdowne fair of the century is now a thing of the past. But it is very encouraging to know that it was the most successful fair ever held here. The entries, though not quite as large as usual, were nevertheless of a better standard, and the exhibits in every department were very good. The exhibit of musical instruments was exceptionally large, and many sales were made. The hardware, furniture and clothing exhibits were all that could be desired. The gate receipts were over $100 in excess of other years, the total receipts being over $800. Although the local option by-law is in force here, it did not seem to make much difference, as there appeared to be just as much evidence of the pressure of "fire-water" as in other years. A few scraps occurred, but none of them could be properly styled a fight. A couple of the constables had a brush with a noisy crowd and it seems came out of it a little the worse for wear, as regarded their clothing. All the afternoon and evening trains were literally packed with people, as every one comes to Lansdowne fair, rain or shine, and this year there could not have been more beautiful weather for both days. Geo. Haskins, a resident here for about a year, died last Thursday after a short illness. He was engaged in the manufacture of patent medicine, and leaves a wife and five small children. The funeral, which took place on Saturday under the auspices of the Chosen Friends from the Methodist church to the vault, was very largely attended. Frank Graham returned to Rochester, N.Y., last Saturday.
