FOR THE CHILDREN

To Keep Their Digestion Perfect, Nothing is So Safe And Prompt as Stuart's Dyspepsia Tablets.

Thousands of men and women have found Stuart's Dyspepsia Tablets the safest and most reliable preparation on the face of the earth for indigestion or stomach trouble.

Thousands of people who are not sick, but are weakened with an hourly ache, take Stuart's Tablets after every meal, to insure perfect digestion and avoid trouble.

That it is not generally known that the Tablets are just as good and valuable for men and ladies as for children, is the reason why so many suffer.

Every children who has eaten, and will have to eat candy, should use the Tablets, because the candy will ferment and sour on the stomach, causing the child to vomit, have sick headache, colic, diarrhoea, and all the other troubles that are caused by undigested food.

Mrs. C. H. Crocker, 328 Washington street, Rochester, New Jersey, writes: "Stuart's Dyspepsia Tablets are the best pill for children I ever found in my house. They had the best of luck with them. My three-year-old girl takes them as readily as candy. I have used them for my children and for myself every time and have found them to do all that is claimed for them."

A British resident of Chile says: "Those who recommend it can write as highly as they please about Stuart's Dyspepsia Tablets, and no exaggeration will be needed to do justice to their merits. I used to suffer from the worst form of dyspepsia, and was obliged to live on the most simple food, and even then I suffered terribly after meals. Now I can eat anything I like and enjoy it, and I owe it entirely to Stuart's Dyspepsia Tablets, which I have recommended to many friends, all of whom have benefited by them."

Stuart's Dyspepsia Tablets are sold by druggists at 50 cents per package.

To the Egyptian Rheumatic Oil Co., Ltd., Halifax, N.S.

My wife has been suffering with what the doctors called Rheumatism of the lungs, and by the free use of Egyptian Rheumatic Oil she says she received relief, and all evidence of rheumatism in those parts has disappeared.

I also wish to say that I received no relief in health I could anywhere seek, and was pale and nothing seemed to do me good, as a few applications of your oil I used and felt was then I used more and continue to improve from evidence would.
